Senate Unit Ups Foreign Aid Bill By \$500 Million

House Passage Of Civil Rights Bill Due Today

WASHINGTON, Aug. 26 (P) — The House Rules Committee today blasted loose the long-stalled civil rights bill, clearing the way for House passage tomorrow. Senate passage is expected by the end of the week.

The committee voted 10-2 to override Chairman Howard W. Smith (D-Va.) and Rep. Colmer (D-Miss.), last-ditch opponents of the bill. The action sends to the House floor the compromise measure agreed on by leaders of both parties last Friday.

House leaders scheduled the bill for a vote tomorrow. With Senate leaders, they are driving for adjournment by Saturday. The measure is entitled to only one hour's House debate under the rules.

House passage seemed certain. In the Senate, Southerners are geared for more talk but not a filibuster. Final passage would send to the White House the first civil rights bill since the post-Civil War Reconstruction days.

The House Rules Committee took a unusual step to get the bill moving when Rep. Scott (R-Pa.) this morning joined six Democrats to form a committee majority and force a meeting. Smith had refused to call a committee meeting since the Senate passed its version of the bill Aug. 7.

The procedure had been all set out under the compromise agreement reached by congressional chiefs last Friday. Going through the motions in closed session, the committee okayed a motion to accept the Senate-passed bill provided the compromise wording was included.

The compromise would narrow the Senate's jury trial amendment to allow a federal judge a limited right to try without a jury persons accused of violating court orders in voting rights cases.

The compromise amendment also seeks to make clear that proposed penalties for disclosing what goes on in a closed session of the new civil rights commission that would be set up by the bill do not apply to newsmen. It stipulates that the penalties apply to persons in government pay.

U.S. Seeks New Hungary Probe

UNITED NATIONS, N.Y., Aug. 26 (P) — The United States was reported pressing today for a new U.N. inquiry into alleged large scale arrests and persecutions in Communist Hungary.

Informed sources said the United States wants the United Nations to turn the world spotlight on latest events in Hungary since Soviet troops put down the anti-Russian revolution of last October.

The U.N. special session on Hungary opens Sept. 10. The United States hopes to have a resolution ready calling for continuation of the five-nation committee of inquiry set up last January.

The committee issued a 150,000-word report in June declaring that Hungary's revolt was an uprising against rule by secret police terror, and was put down only by brutal, overwhelming Soviet military strength.

But the report does not cover recent developments in Hungary, where Premier Janos Kadar's Soviet-supported regime has cracked down with arrests and executions of so-called counter-revolutionaries.

James W. Barco, a top aide to U.S. Ambassador Henry Cabot Lodge, has conferred with a half dozen U.N. delegations on the proposed resolution.

Syria Minister Says Door Open To Henderson

DAMASCUS, Syria, Aug. 26 (P) — Foreign Minister Salah Bitar implied today Loy Henderson is welcome to visit Damascus to find out the facts about Syria.

Bitar told a news conference he hopes the U.S. special envoy's rush visit to the Middle East on the Syrian situation has no other aim than "collecting accurate information about the Arab national liberation policy of Syria."

Asked why Syria does not invite Henderson here if it wants him to get accurate information, the foreign minister said "Syria's door is open to any sincere fact-finding visitor."

He said there would be no formal invitation on the ground that nothing had come of a genuine effort by Syrian authorities to see President Eisenhower's special envoy, James P. Richards, when he toured the Middle East on behalf of the Eisenhower Doctrine last spring.

"We do not want to repeat this," Bitar said.

Henderson was dispatched from Washington after pro-Soviet officers won control of Syria's army in a shakeup 10 days ago and has been conducting urgent consultations in Turkey. If he has a definite itinerary, it has not been announced.

Syria's President Shukri Kuwaty, just returned from a week's stay in Egypt, met with his Cabinet amid indications of an imminent purge of officials suspected of pro-Western leanings.

Sitting in was the Army's new big wheel, leftist Maj. Gen. Afif Bizri.

Bitar conceded at the news conference that Syria's capacity for cooperation with the West has "decreased tremendously." But he said the Syrian policy called positive neutralism "does not mean that we should not cooperate economically with the Soviet Union and the Western Powers."

Actress To Stand Trial

LOS ANGELES, Aug. 26 (P) — Actress Gail Russell today pleaded innocent to felony drunk driving charges and was ordered to stand trial in Superior Court Oct. 15. She was freed on \$2,000 bail.

Teamsters 'Can't Afford' To Elect Hoffa, Rival Says

LOS ANGELES, Aug. 26 (P) — A vice president of the Teamsters Union said today the election of James R. Hoffa as union president would be bad for the union.

"It would show that the Teamsters don't give a hoot," said Thomas L. Hickey of New York, "and we can't afford that kind of a reputation."

Hickey, an old foe of Midwest Teamsters boss Hoffa and his only avowed rival for the \$50,000-a-year president's job held by Dave Beck, assailed Hoffa at a gathering of top Teamsters brass in Los Angeles.

In reply, Hoffa said: "Hickey failed to bring wrongdoings and abuses in New York to our attention, as was his responsibility."

Action Follows Johnson Visit With President

WASHINGTON, Aug. 26 (P) — The Senate Appropriations Committee voted 14-7 today to appropriate \$500,000,000 more for foreign aid than the House provided.

This figure was almost exactly the amount recommended by Sen. Lyndon Johnson (D-Tex.), the Senate Democratic leader, after a steak breakfast with President Eisenhower at the White House this morning.

The Senate committee approved new funds totaling \$3,025,660,000, compared to the \$2,524,760,000 voted by the House. Both the House and the Senate committee voted to reappropriate \$667,050,000 in carryover funds.

Compromise Likely

Assuming the Senate goes along with the committee recommendations, the bill would still have to be adjusted with the House's lower version. A compromise at about 250 million dollars below the Senate total seemed likely.

Johnson said he would confer with other senators before deciding whether to bring the bill up in the Senate tomorrow, or later in the week.

Johnson's breakfast visit with Eisenhower was the first time they had met with no others present. The senator said afterwards that Eisenhower was very much concerned about the aid bill, and had "been concerned about it for some time."

Was It 'Thanks A Million'?

Johnson, who last Friday said he hoped the Senate would boost the House-voted amount substantially, said after seeing Eisenhower today that he would support an increase of about a half billion dollars.

After the breakfast, Eisenhower walked to the door with Johnson, and reporters heard the President tell him something that sounded like, "Thanks a million."

Eisenhower sometime ago put the minimum amount of new money needed for foreign aid at \$3,300,000,000. However, he is expected to be willing to settle for less, since the carryover money is due to be re-appropriated.

Ford Co. Unveils New Edsel Cars

DETROIT, Aug. 26 (P) — Push-button controls located in the steering wheel hub, dual headlights, self-adjusting brakes, four barrel carburetion and new vertical front styling are features of the new Edsel series of automobiles. The new cars go on sale Sept. 4. Prices will be disclosed at that time.

Details of the much-publicized new Ford Motor Co. medium-priced car were given out today. Tomorrow the new line of 18 models and four series will be previewed by the nation's automotive writers, press, radio, television and trade publication representatives.

Ford has said nearly three years of preliminary work and 250 million dollars went into bringing the Edsel cars to the production stage.

Murder By Mail Bill

WASHINGTON, Aug. 26 (P) — A bill providing punishments up to the death penalty for murder by mail was passed by the Senate today and sent to the White House.

It provides penalties of death or life imprisonment for sending through the mail bombs, poisons or other materials forbidden by the postal laws with a resulting loss of life.

Red Jetliners Get Clearance For U.S. Flight

Planes Will Bring Soviet Delegation To U.N. Next Month

WASHINGTON, Aug. 26 (P) — The United States today gave Russia permission to fly two of its new jet passenger planes to this country in September.

The Soviet planes, TU104 transports, will bring the Soviet Delegation to the United Nations General Assembly session.

The flights were authorized for Sept. 3-7 and Sept. 13-17.

A State Department spokesman said these would be the first Soviet passenger planes ever to land in the United States. The Soviets asked permission to land the aircraft at Idlewild International Airport in New York or some other airfield in the New York area.

Landing Field Undecided

The State Department in a formal note handed to the Soviet Charge d'Affaires Sergi Strigov approved the flights but said the landing field would be decided upon later.

The flights will make Soviet-American civil aviation history. The State Department said they would be the first Russian civilian planes ever to land in this country.

Russian military planes have on a few occasions landed on U.S. soil. For example, in 1937 a Russian plane completed a nonstop flight from Moscow to San Jacinto, Calif.

The 70-passenger Soviet jets will be landing at an American airfield about two years before American-made jet airliners are ready for regular passenger service. Both Boeing and Douglas are manufacturing models which promise to be bigger and faster, as well as more luxurious, than the TU-104.

Vodka And Caviar Served

The Soviet aircraft, which normally feature three hostesses serving vodka, caviar and oranges, are sleek-slim civilian versions of the Russian Badger medium bomber.

The TU104 is the only jet airliner in regular commercial service, with flights to Prague and Peiping. The flight from the Czech capital to Moscow, about 750 air miles, takes 2½ hours.

Interest Mounts In Wis. Election

MILWAUKEE, Aug. 26 (P) — Major party spokesmen detected a sudden awakening of public interest in tomorrow's special election to name a successor to the late Joseph R. McCarthy (R-Wis.) today—but their interpretations left the probable outcome of the voting hazier than ever.

Democratic State Chairman Philo Nash—who said "I never make predictions, but I'm going out on a limb"—declared that Wisconsin would name William Proxmire as the first Democratic U.S. Senator to be elected from Wisconsin in 25 years.

Nash said he based his prediction that Proxmire would beat Republican former Gov. Walter J. Kohler on a last minute assessment of GOP disaffection in regular party strongholds.

Nash and Kohler, in separate statements, agreed that there was a late awakening of interest among voters after a campaign distinguished for weeks for the somnolent response to the candidates.

But naturally enough, they disagreed sharply on what the new interest meant in a race that already was viewed as largely in the hands of voters who hadn't even decided for sure whether they'd cast ballots.

CWU Strike Threat Held Over Talks

NEW YORK, Aug. 26 (P) — Telephone equipment installers worked without a contract today, holding the threat of a strike at any time over the heads of company negotiators. Peace talks continued.

Joseph E. Dunne, national director of the Communications Workers of America, said:

"The possibility of a strike is a matter of strategy from now on. It looks very bad. Management has done nothing to turn the key to unlock this situation."

Dunne spoke for 23,000 union members who install and maintain telephone equipment in 44 states and the District of Columbia for Western Electric Co., the manufacturing arm of the Bell Telephone System.

President Gets Asian Flu Shot

WASHINGTON, Aug. 26 (P) — President Eisenhower, who may have been exposed to Asian flu, got inoculated against the disease during his lunchtime break today.

The shot was administered by his personal physician, Maj. Gen. Howard McC. Snyder, upon the recommendation of Surgeon General Leroy E. Burney.

James C. Hagerty, the President's press secretary, said Eisenhower came in contact with two persons last week who subsequently developed mild cases of what has been diagnosed tentatively as Asian flu.

The first person, Hagerty said, was Thomas Craven Jr., a newsreel photographer who was in the President's office early last week and who became ill on Wednesday. Eisenhower saw Dr. Gabriel Hauge, an economic adviser, Wednesday and Hauge was stricken the next day.

At first the President was inclined to wait for his shot until supplies of the new vaccine had become more abundant. He told his news conference Wednesday he would have an inoculation "just as soon as ordinary people like I am can get it."

But Sen. Monroney (D-Okla.) and others urged Eisenhower to avail himself of some priority as the nation's head.

Two other factors influenced the medical decision to have the President inoculated right away. One was his possible exposure and the other was the surgeon general's report that persons with a history of heart or lung ailments are more likely to suffer side effects from the disease. Eisenhower had a heart attack in September, 1955.

It remains to be seen whether the President got his shot in time if he actually has been in contact with the disease.

Nixon May Tour Europe In Fall

WASHINGTON, Aug. 26 (P) — Vice President Nixon today left open the possibility he may tour Western Europe this fall as the personal representative of President Eisenhower.

Nixon told reporters he has "no firm plans" for such a visit at this time. But he did not rule out the possibility that he might make a trip of this nature late in the year.

Nixon said the U.S. government had received several formal invitations for him to visit Western European countries but he said none of these had been accepted. "I have approved nothing and I know of nothing definite at this time," he said.

France invited Nixon to visit Paris Sept. 5 for a celebration commemorating the 200th anniversary of the birth of Lafayette, French patriot who fought for the United States in the revolutionary war.

Through the State Department, Nixon sent word that he could not accept an invitation for that date. The French reply made it clear Nixon would be welcomed at a later date.

Jurisdictional Issue Revived In Girard Trial

MAEBASHI, Japan, Tuesday, Aug. 27 (P) — The William S. Girard manslaughter trial has quickly boiled down again to a jurisdictional question.

The lingering question, raised long before the U.S. Supreme Court ordered the 22-year-old GI turned over to Japanese justice was whether Girard was carrying out his Army guard duties when he fatally shot a Japanese woman shell salvager on a U.S. firing range last Jan. 30.

The defense insists he was; the prosecution that he was not.

The five-hour opening session before three black-robed judges here Monday set the stage for an off-and-on hearing that may last into November. At the conclusion, the trial was recessed 12 days. The next session is set for Sept. 6.

A ruling on the jurisdictional question, which might mean transfer of Girard's case to a U.S. Army court-martial, was deferred.

Girard told the court he has no right to try him for shooting the woman, Mrs. Naka Sakai, 46.

"The facts of the indictment are not correct," he said through his lawyer. "I was doing my duty of protecting a machine gun."

Thus, the soldier from Ottawa, Ill., raised in a steamy little courtroom the same delicate issue that had bedeviled the governments of the United States and Japan until the U.S. Supreme Court made its ruling last month.

Girard's Japanese attorney, Ituro Hayashi, urged the court to dismiss the case on the ground that Japan has no jurisdiction. He said the soldier did not intentionally shoot Mrs. Sakai.

In Girard's formal statement to the court, given by Hayashi, he disputed the prosecution contention that he set up the woman as a target by throwing shell casings onto the range to lure her.

"I did not throw brass nor lure anyone," the statement said.

"I did not intend to hit anyone."

... I fired over their heads to scare people, not to hurt them."

Pilot Killed, Two Homes Set Afire In Jet Crash

(J.G.) Robert Krane, Foley, Ala. A spokesman for the Civil Aeronautics Administration at the airport said the plane was a propeller-driven T28. He said the single-engine craft had just left the airport en route to Youngstown, Ohio.

There was no indication what caused the crash, pending completion of an investigation by Navy officials.

Maurice Ritchey, who was alone in one of the struck houses, said: "I heard a terrible crash and explosion. Glass and everything flew around me. I was knocked down. My jaw hit the floor. My false teeth flew out and broke. I had just got them."

In the other house were Mrs. Peg Schmidt, her sister, Mrs. Mary Fabian, Brunswick, Me., and the latter's three children. All fled through a rear door.

Sea-Spanning Rocket Tests "Successful"

"Ultimate Weapon" Can Hit Any Spot On Globe, Reds Say

MOSCOW, Aug. 26 (P) — Soviet Russia said tonight it has successfully tested an intercontinental rocket missile which can "hit any spot on the globe."

No other nation, East or West, has announced such a claim. The announcement said the test was carried out several days ago. The missile was described as of super range and multistage.

Recent nuclear and hydrogen tests also have been carried out successfully at great height in recent days, the announcement said. The United States announced last Friday the Russians had resumed testing at Siberian proving grounds.

The announcement, broadcast to the world, said the intercontinental missile can reach any "distant area without the use of strategic aviation, which is at present vulnerable to antiaircraft defense."

Such a missile as Russia claims is referred to in the United States as "the ultimate weapon."

A Tass statement broadcast by the Moscow radio said: "A super long distance intercontinental multistage ballistic rocket was launched a few days ago. The tests of the rocket were successful."

The broadcast also said explosions of nuclear and thermonuclear weapons have taken place "in conformity with the scientific research program."

Speaking of tests of the intercontinental rocket, the broadcast said: "They fully confirmed the correctness of the calculations and the selected design."

"The rocket flew at a very high unprecedented altitude. Covering a huge distance in a brief time, the rocket landed in the target area."

"The results obtained show that it is possible to direct rockets in any part of the world."

Moscow said the solution of the problem of designing intercontinental ballistic rockets will "make it possible to reach remote areas without resorting to a strategic air force, which at the present time is vulnerable to up-to-date means of antiaircraft defense."

Senators Skeptical

WASHINGTON, Aug. 26 (P) — Members of Congress were mainly skeptical tonight in their immediate reaction to the Russian claim of having developed a successful Inter-Continental Ballistic Missile.

There was no comment at all from the Defense Department.

Sen. Saltonstall (R-Mass.), top Republican on the Senate Armed Services Committee, said the Russian statement can't be accepted at face value "until we know more about it than just their unconfirmed claims."

Sen. Bush (R-Conn.), another member of the committee, said the Soviet announcement "leaves too much open to doubt to put any faith in their claims."

"They give no information about the distance or accuracy of the missile in their very vague statement," he said.

Stymington Concerned

MIAMI BEACH, Fla., Aug. 26 (P) — Sen. Symington (D-Mo.) former secretary of the Air Force, said tonight that Moscow's announcement on testing an intercontinental rocket "is the ultimate step in the propaganda use of this weapon—and therefore half the battle is won by their saying they have it."

Symington said "it is obviously impossible for us to check this statement. In the past, however, we have all noticed that when they say they have something in the way of this type of weapon, it turned out later to be fact."

He said "life or death of the nation may now well depend upon our activity in this field."

White Pupils Boycott Integrated School

COLP, Ill., Aug. 26 (P) — White pupils boycotted the previously all-Negro grade school in this southern Illinois town of 250 today at the scheduled start of integration.

Both the principal of the school and the president of the Colp School Board are Negroes. Colp is 100 miles southeast of St. Louis.

Not one of an expected 40 to 50 white pupils showed up for the start of the fall semester. Classes proceeded for the school's 66 Negro pupils.

# State Dept. Resents Red Hint Newsmen Would Act As Spies

Peiping's Official Reaction Awaited

WASHINGTON, Aug. 26 (P)—American officials said today Red China appears to be still holding the door open for visits by American newsmen—but not on the State Department's terms.

The State Department press chief, Lincoln White, pointed out to his news conference today that the Peiping regime is officially silent on the American plan announced last Thursday. He noted that only an initial response has been heard, and that from the newspaper People's Daily which usually but not always mirrors the government view.

White said the State Department is standing firm on its plan. This relaxation of the U.S. ban on travel to mainland China designated 24 American news organizations, which in turn named one representative each to go to Red China for at least six months.

The department emphasized at that time that no newsmen from Communist China will be permitted into the United States on a reciprocal basis. It was this—plus what the Communists assailed as a unilateral decision by the United States — which People's Daily blasted as unacceptable yesterday.

White took exception to statements in the Communist party paper. He told reporters: "The department bitterly resents the implication that it selected 24 'spies' to go to Red China. All of you know how fantastic that charge is...."

"Furthermore, when invitations were issued from the Chinese Communists to American newspaper men, there was not the slightest hint that this was to be done on a reciprocal basis."

"And that seems to be the clunker in all this, those invited last year by the Communist regime in China now suddenly become U.S. spies. The welcome mat out last year is suddenly pulled away."

Reporters told White the Chinese Reds had not labeled the newsmen as spies, but had said the U.S. government wanted to use them so the U.S. government "could collect intelligence in China... carry out subversive activities and embitter feelings."

White snorted: "No matter how you slice it, it's still baloney."

There was bitterness also in Hong Kong. Eleven of the 24 American reporters selected by their agencies waited impatiently there for the starting signal. When Peiping radio broadcast the People's Daily reaction, their passports were altered. The alteration erased the special permission stamped in them waiving the ban on travel by Americans to any Communist area whose government the United States does not recognize.

## RAF Attacks Village

MANAMA, Bahrain, Aug. 26 (P)—British planes today attacked the village of Sharajia in central Oman in a bid to kill or capture three leaders of the recent rebellion.

An official in Bahrain said a bomber and four jet fighters obliterated a fortified house on the southeast corner of the village.

# Defendant Says Todd Confirmed Story Material

LOS ANGELES, Aug. 26 (P)—A defendant at the Confidential magazine libel trial said today a New York writer once "persuaded Mike Todd to confirm some material for the magazine."

Fred Meade also testified that movie studios "poured a lot of money into the attorney general's office" to start the investigation which led to charges of criminal libel against the magazine.

And he told the jury that Columbia Pictures boss Harry Cohn made hotel reservations for Meade and his wife when they came to California.

The Meades are the former operators of Hollywood Research Inc., which gathered information for Confidential and its sister scandal magazine, Whisper. They are codefendants with the magazines.

Todd is a movie producer and the husband of actress Elizabeth Taylor.

His name was mentioned while Meade was rattling off the names of informants for Confidential stories about the private lives of stars. Under cross-examination he identified checks presented by the prosecution.

Meade, in identifying 12 checks ranging between \$150 and \$600 and made out to Hal Conrad of New York, said Conrad once persuaded Todd to confirm story material. He did not mention which story was involved.

## Model Will Become 'Princess Sweetness'

GENEVA, Aug. 26 (P)—London model Nina Dyer will officially become "Princess Sweetness" when she marries Prince Sadruddin Khan, it was disclosed today.

The 27-year-old former wife of German industrialist Baron Heinrich von Thyssen and the 24-year-old younger son of the late Aga Khan III are scheduled to exchange intertwined silver and gold oriental rings in the Town Hall of suburban Bellerive Wednesday morning.

An hour later the couple will trade religious vows at Sadruddin's \$750,000 chateau in a service presided over by two imams from Paris. There Nina, clad in a \$750 grey organdy gown from Christian Dior, will become, in Ismaili Moslem eyes, Princess Shirin (sweetness).

She chose the name for herself at Sadruddin's suggestion, when she became a Moslem last month.

## Leads Checked In Girl's Slaying

CHICAGO, Aug. 26 (P)—A blood-flecked car, a scream in the night, and a report of a girl walking alone were leads today in efforts to solve the dismemberment slaying of Judith Mae Andersen.

Technicians from the police laboratory examined stains on the fender of a new automobile found in a dealer's garage one mile from the harbor where the 15-year-old schoolgirl's body was recovered.

Lt. Michael Spiotto said the garage contained oil drums similar to one used for disposal of a part of the girl's body. He pointed out that there were tens of thousands of such drums in Chicago, however.

After the drum containing most parts of the body was found Thursday, the coroner's office said the victim was killed one to three days earlier. An official said tonight that, although the autopsy was not complete, there was no reason to change this viewpoint. This would indicate the girl was alive, possibly held captive, for three to five days before being killed.

## Ike OKs Water Projects' Funds

WASHINGTON, Aug. 26 (P)—President Eisenhower signed today an \$858,094,223 public works appropriation bill carrying funds for construction and maintenance of water projects.

But in a statement Eisenhower scolded Congress for voting new, unbudgeted projects for the Army engineers for the third successive year.

He said this has increased the government's financial commitments by 2½ billion dollars and "seriously hampered" his administration's efforts to maintain economic stability and fiscal solvency.

"I shall continue to adhere to these principles of fiscal soundness, and therefore the size of recommended future appropriations for these unbudgeted new starts will be dependent on the over-all budgetary situation," the President added.

While Congress tabbed money for some projects not in Eisenhower's budget, the total in the bill is about 2 per cent below the President's budget recommendations of \$876,453,000.

This was the smallest percentage cut that Congress made this year in any of the appropriation measures recommended by the President.

## Savage British Attack Charged By Yemen

LONDON, Aug. 26 (P)—Yemen charged today that British rocket-shooting airplanes, tanks and artillery had been making a "savage attack" on its territory for the past four days and that bombings were continuing.

"There are reinforcements on a large scale of troops, equipment and ammunition," the Yemeni legation declared in a protest to the British government.

The statement said the attacks resulted in many killed and wounded among the people, and "aircraft are still continuing their attack by bombardment."

## Four Killed By Train

ATLANTA, Aug. 26 (P)—A 37-car freight train backed into a tool car at the Southern Railway's Inman yards today, killing four men and seriously injuring a fifth.

# Oil Lift To Europe Of "Doubtful Legality," Senate Group Says

WASHINGTON, Aug. 26 (P)—A Senate subcommittee said tonight the administration-sponsored oil lift to Europe last winter was of "doubtful legality" and represented an abdication of foreign policy responsibilities to private oil corporations.

In taking this stand, Democrats on the Antitrust and Monopoly subcommittee said in a report that the emergency oil lift enabled participating companies to perk up profits. They also in effect accused American crude oil importers of price gouging.

Sen. Dirksen (R-Ill.) emphatically challenged the report as based in part on unwarranted charges and on "erroneous or ill-founded" information from the subcommittee staff. He said the oil lift was a success and the way it was handled was the only logical solution to a "grave worldwide problem."

Sen. Wiley (R-Wis.) disagreed with both the subcommittee majority and with Dirksen. He said in a minority report that he could not go along with the "extreme criticism" of the Eisenhower administration and the major oil companies for their manner of solving the European oil fuel crisis caused by temporary closing of the Suez Canal.

"Nor," Wiley said, "can I agree with the complete exoneration of

the oil companies urged by Sen. Dirksen. They did make undue profit from an international oil transportation crisis which the U.S. government had asked them to solve."

The oil lift was set up after the U.S. government, 15 major U.S. oil companies with international connections joined together in the Middle East Emergency Committee and were given immunity from the antitrust laws.

How much medicine is too much? Sometimes it takes very little of a drug to constitute an overdose. For example, the maximum dose of strychnine, a bitter tonic and stimulant when used medicinally, is 2mg. or about 1/15000 of an ounce. Suppose a doctor were to write a prescription incorporating, say, 20mg. a lethal dose. If the pharmacist were to fill this prescription, and the patient die, whom would the bereaved family sue, and who would be held criminally responsible? The pharmacist, of course. He is supposed to know the dosage of drugs, not the physician. That is one of the main purposes of pharmacy, to serve as a check on the physician. That is why accuracy and knowledge of drugs and their dosages are essential to your Walsh-McCagh pharmacist. If there is any doubt about the slightest detail of your prescription, he checks with the doctor, and the latter expects him to do so. And that is why it is essential for both you and your physician to have unlimited confidence in your pharmacist. We here at Walsh-McCagh have built up such a reputation through the years.

Even if you're in perfect health and figure, you benefit from regular stretching action.

# Secrets Of Charm

by John Robert Powers

# Stretch Like A Cat

Give me a choice of only one exercise and it would be s-t-r-e-t-c-h. The best part of it is that stretching is a mild form of exercise that anyone can do—and you feel slimmer from the moment you start!

Stretching is extremely beneficial. It tightens your entire middle section—the midriff, waist and abdomen. Arm and breast

muscles feel it too. S-T-R-E-T-C-H every muscle in your body—it brings new life not only to the muscles, but wakes up the blood stream as well.

# Wake-Up Time

Wake-up time is the best time for this exercise. It's a wonderful way to awaken and face the world. But do it slowly. Take hold of the headboard of your bed and stretch your body, if you can, until your toes touch the footboard.

Then all you need is a door and YOU. Grip the top of the door with both hands and lift your feet from the floor. This is a fine way to stretch the midriff and keep the bust and arms firm. The first time, hanging by your hands is all that you will be able to do. But try it four or five times and notice the wonderful pull and stretch you get from the very tips of your fingers to the tips of your toes.

When you get used to this, try kicking one leg backward, stretching it out from toe to hip. Now try the other leg. Do this at least five times.

## Beall Band Boosters Seek 1,000

FROSTBURG — Seven years ago a number of the parents of members of the Beall High School Band organized the "Beall Band Boosters Association" and elected Mrs. Robert Wilson as president.

This organization was formed for the purpose of assisting the band financially, buy uniforms, furnish transportation to the various functions in which the band participated, and in other ways.

The original group, consisting of 22 members, held bake sales, socials and dances in order to secure funds. They purchased new uniforms and were able, by hard work, to keep the organization solvent.

A large electric pop corn machine was purchased, and with the increased membership it was possible to sell hot coffee, sandwiches and pop corn at football games at the local stadium.

With the cooperation of a number of public-spirited businessmen and donated labor, the association constructed a large refreshment booth, made of concrete and concrete blocks, beneath the stands at the stadium. This made it more comfortable for the members who manned the stand. Until then, they were forced to work in the open, often in near-zero weather.

Since the opening of the new booth, an electric coffee urn and several electric roasters have been added to the equipment. A number of new instruments have been purchased, and music has been secured for the use of the band and orchestra.

All buses used by the organization on trips to the games, or to other functions, have been underwritten by the Band Boosters Association.

Three years ago, Mrs. William McGregor, a member of the association, organized a "Ten Dollar Club." Members of this group, which consists mainly of businessmen and parents of band members, each pledge to contribute that amount annually.

Sixty-five members were enrolled in this club last year, and a drive will be started next month to enroll new members.

It is also hoped to increase membership in the parent organization to 1,000 this semester. If this is accomplished, Mrs. McGregor states, it will be possible to set up a special fund to be used for the purchase of new uniforms when it becomes necessary.

Mrs. Myron C. Lehr is president of the association, and her husband has served as treasurer in recent years. They both actively support the organization, despite the fact that their sons have graduated from Beall High.

## Barton PTA Plans Meeting

## Four Members Company D Get Service Awards

Ten-Year Medals Given At Camp

FROSTBURG — Four members of Frostburg's Company "D" were presented medals in recognition of their ten years active service with the Maryland National Guard at a ceremony held Saturday at Muir Field, Indiantown Gap Military Reservation.

The awards were presented by Col. Vincent Gillispie, of Maryland state headquarters.

Men of Company "D" receiving the service awards are First Lt. Robert M. Andres, commanding officer; First Lt. Francis J. Allen, company executive officer; Master Sgt. Harry Hitchins; First Sgt. and Sgt. First Class Earl C. Davis, mess steward.

Following the presentation of awards to the members of Company "D" and other members of the 115th Infantry Regiment, of which Company "D" is a part, a regimental retreat parade was held, which was reviewed in company formation, by the regimental commander, Col. Randolph Millholland, of Cumberland.

The men of Company "D" have had a week of intensive training on the ranges with the "M1 rifle" the carbine and pistols. The company crew served weapons platoons have also had training during the past week with machine guns, mortars and the 105 MM recoilless rifle on the post weapon ranges.

This week, the company will move to the field on bivouac for three days living in pup tents and eating out of doors. All meals will be prepared in field kitchens, and the members will receive squad tactical training. Company "D" is scheduled to return from Indiantown Gap on Saturday.

## Teentown Election Is Tonight

FROSTBURG—Officers and directors of Teentown will be elected at a meeting tonight at 7:30 o'clock at Firemen's Hall.

Howard Duckworth, president of Teentown Adult Advisory Board, urges all persons interested in the welfare of young people to attend this meeting. It is not necessary that a person have a youngster attending Teentown to attend these meetings, he stated. In order to keep the organization functioning properly it will be necessary for a number of new leaders, with new ideas and enthusiasm to become affiliated with the group each year. Some of the organizers and "spark plugs" of the movement have moved away, or for some other reason are no longer active in the movement. In order to keep such a large project as this efficient, an enthusiastic and active governing board is a necessity, Duckworth stated.

## City Clerk Requests More Storage Space For Office

City Clerk Wallace G. Ullery appealed to the Mayor and Council yesterday to provide additional quarters and storage space for his office.

Ullery said paper work has increased and that his office, the Registration office and Civil Service Commission office should be centralized so employees' time can be more fully utilized in the interest of efficiency.

It was suggested that the small storage space used by the Water Department be enlarged and the outside walls removed to provide office and storage space; and that space for inactive records be provided in City Hall basement.

If the suggestions are not satisfactory, he suggested that Commissioner William H. Buchholz and City Engineer C. R. Nuzum make a survey and propose a solution. The matter was referred to the two officials.

In routine actions yesterday, council accepted the bid of the George Construction Company for repairing the Fort Hill reservoir. The bid for \$15,331 was the lowest submitted.

Charles H. Deter was named a probationary member of the Fire Department; and Judith Zimmerman as temporary playground

leader at Mt. Royal for two days at \$5 a day.

Checks were ordered issued Friday to city employees for the last two weeks of the month.

Council rejected all bids on a truck for the flood control maintenance crew. It was pointed out the truck will be re-advertised.

A check for \$30 was authorized paid to the John I. Vandegrift Company as the fee for estimating alterations necessary on the Oldsmobile garage property in connection with the extension of George street; and \$250 to Perrin and Perrin for inspection and appraisal of real property needed for the extension.

Henry Hart Post 1411, VFW, notified council it was sending \$10 toward helping defray expenses of Little League All Stars entertained at Elliott City Sunday.

### PTA Board Plans Meeting Thursday

## Council Gets More Protests

The Mayor and City Council continue to receive letters protesting the proposed telephone rates increase contemplated by the Chesapeake and Potomac Telephone Company.

Many of the letters refer to the fact that the additional charges for service includes communities which are seldom called by local phone users.

Two letters received over the weekend both stated that for the number of calls made by the complainants to McCool, Keyser, Westernport, Flintstone, Barton, Midland, Lonaconing and others the toll charges for these calls would be less than the proposed increase in service charges.

The Mayor and Council also received a letter complaining of the poor condition of Princeton Street.

Mr. and Mrs. Eugene Leasure, 707 Princeton Street, included a bill for \$6.50 for repairs made to their automobile which they stated was damaged by the bad condition of the street.

The letter and bill, which the Leasures asked the city to pay, was referred to City Attorney Thomas B. Finan.

The earliest type of boat is thought to have been the raft.

## Frostburg State Teachers College Begins Fall Term On September 9

FROSTBURG — Activities for the 1957-1958 term of Frostburg State Teachers College will open Monday, September 9, and close Friday, June 6, according to Ivan C. Diehl, dean.

College classes will begin at 8 a. m., Wednesday, September 18, and registration will get underway beginning Tuesday, September 10.

The College Laboratory School will open Tuesday, September 3, at 8:30 a. m.

The first official meeting of the year is scheduled for Monday, September 9 at 9 a. m., when R. Bowen Hardesty, president, will address the college personnel in the auditorium of Compton Hall.

At 10:30 a. m., Diehl will meet with all new faculty members for a period of orientation. Diehl will meet with the entire faculty at 1:30 p. m. for the purpose of discussing registration procedure.

Following registration, September 10, Hardesty will address each class in Allegany Hall (old gym).

The registration schedule follows:

Seniors, Tuesday from 9 a. m. to noon; juniors, from 1:30 to 4:30 p. m.; sophomores, Wednesday, September 11, from 9 a. m. to noon and from 1:30 to 4:30 p. m.; freshmen, Monday, September 16, from 9 a. m. to noon and from 1:30 to 4:30 p. m., and on Tuesday from 9 a. m. to noon.

There will be an all-student administrative assembly at 10 a. m. Thursday, September 19, at which attendance is required, Diehl stated.

The college and Laboratory School will be closed from noon Wednesday, October 9 to 8 a. m. Monday, October 14 for the purpose of permitting the faculty to attend the meetings of the Maryland State Teachers Association in Baltimore.

The Thanksgiving holiday will begin at noon Wednesday, November 27. Classes will reopen at 8 a. m. Monday, December 2. The college and Laboratory School will close at noon Friday, December 20 for the Christmas holidays and will reconvene at 8 a. m. Monday, January 6.

The first semester officially ends at 5 p. m. Monday, January 27. Dates for registration for the second semester will be announced in January. The Easter holiday for the college and Laboratory School will begin at noon Thursday, April 3. Classes will resume at 8 a. m. Monday, April 14. There will be another all-student administrative assembly at

## Kiwanis To Hear William Walsh

William Walsh, local attorney and member of the club, will speak at the Kiwanis luncheon Thursday noon in Central YMCA. He will talk on his experience as a special assistant to the attorney general during the 1957 session of the General Assembly of Maryland.

For the remainder of the year, Kiwanis programs will include some talks by members of the organization.

## Hitchins Begins New Term On Commission

Owen E. Hitchins, The Dingle, yesterday afternoon was sworn in as a member of the Upper Potomac River Commission, a post he has held since its organization in about 1937.

He took the oath of office administered by Joseph E. Boden clerk of Allegany County Circuit Court. Mr. Hitchins present term of office will expire in May 1963. The County Commissioners appointed Mr. Hitchins to the post. The Garrett County member of the commission is E. Herbert Shaffer of Oakland, Chairman is John J. McMullen of Cumberland.

10 a. m. Thursday, May 1, at which attendance is required.

The College Laboratory School will close for Memorial Day on Friday, May 30, while the college will remain in session. The baccalaureate service has been scheduled for 8 p. m. Sunday, June 1. On Thursday, June 5, there will be an on-campus workshop for the faculties of the college and Laboratory School. The annual commencement will be held on the campus at 2 p. m. Friday, June 6.

The student handbook, "The Pathfinder," will be given to first-year students during Fresh-

## Garrett Co. \$3,500 Suit Moved Here

A \$3,500 property damage suit originally filed in Garrett County Circuit Court has been removed to Allegany County as the defendants feel they will not have a fair and impartial trial in that county.

Ralph Pritts, trading as Ralph Pritts, Oakland, is suing Orville Eberly Mt. Lake Park, and Aubra O. Goehringer, of Accident. The suit was filed on September 3, 1955 when the Garrett County Circuit Court was in recess.

On April 30, 1955, according to the declaration, the plaintiff was the owner of three cars parked on private property lying adjacent to U. S. Route 219 about a mile north of Oakland.

The defendant Aubra Goehringer, agent of Eberly, was operating a pickup truck south on Route 219 when it went out of control, swerved onto the property causing a collision involving the three cars and truck.

One car was a total loss.

## US Air Force Seeking Vets

The United States Air Force is offering careers for veterans in the fields of intelligence, radar, armament system maintenance, and aircraft engine maintenance, according to St. James C. Owens, local recruiter. Veterans with the aptitude, personal desire and physical and mental qualifications for these specialties are being sought now.

Sgt. Owens said yesterday two veterans have been enlisted. Edward W. Kahl, Mt. Lake Park, a veteran of 12 years Army service, was assigned to Dover Air Base, Delaware, as a personnel specialist. He enlisted for four years.

Calvin H. Rubie, 467 1/2 St. Cloud Street, Keyser, a veteran of four years in the US Navy, enlisted for four years and was assigned to Lackland Air Force Base, San Antonio, Texas for a 15-day refresher course and then will be assigned to a technical school or to a base for duty. Kahl enlisted in the rate of airman first class and Rubie was given a grade of airman third class.

man Week. Upperclassmen will receive their copies at the time of registration.

The complete roster of courses for the fall semester will be ready for distribution next week. Students desiring copies prior to registration may secure them by calling at Lowndes Hall.

## VA Explains GI Insurance Plan

Young veterans, who first entered service after April 25, 1951, and who are now being discharged, cannot buy GI life insurance unless they have a service-connected disability.

W. L. Limburg, manager of the Veterans Administration regional office in Baltimore, said considerable misunderstanding appears to exist on this subject.

Veterans leaving service with service-incurred disabilities and who are insurable except for those disabilities may apply for GI life insurance, but the applications must be made within one year from the date the Veterans Administration finds the disabilities to be service-connected.

The Veterans Administration officer in charge of the Cumberland office on the third floor of the Post Office building, Benjamin W. Flack, said yesterday he will furnish information on this or any other VA problem.

## Keeping Up With Hollywood

## by Louella Parsons

HOLLYWOOD, Aug. 26 (INS)—"Tender Is The Night," the famous F. Scott Fitzgerald story, is Jennifer Jones' next motion picture. She and David Selznick got along so well with Charles Vidor, when he replaced John Huston in the much publicized "A Farewell To Arms," that it is entirely possible he will direct her again in her next picture.

That reminds me — "A Farewell To Arms" is still not finished. There is one more scene to be shot when Jennifer and her producer husband arrive here in ten days. Since the proper facilities for the technical requirements were not available in Rome, the remaining scene will be filmed at 20th Century-Fox.

Lord Brabourne, first cousin of England's Queen Elizabeth, no less, will produce "Harry Black" for 20th Century-Fox with Stewart Granger playing the title role. An adventure yarn, it will be shot in India and Scotland with Granger and Lord Brabourne, both expert tiger hunters, leading the safaris. Prime Minister Nehru himself has approved the script and filming begins at the base of the Himalayas in January.

Two circuses in India have been hired with experts seeking the 12 highest tigers available. This thriller is expected to have the flavor of "King Solomon's Mines," the movie that made a star of Stewart with American audiences.

The next chore on Mark Robson's agenda after he finishes "Peyton Place" will be producing and directing "The Small Woman," the true story by English novelist Alan Burgess. This assignment was given him by Buddy Adler for 20th Century-Fox, and he was told he would have to go to Hong Kong to get the proper setting.

The story is about Gladys Aylward, a London parlor maid, who found her lack of education an obstacle to her becoming a missionary in China, but with perseverance and determination, she founded a mission in Shansi Province.

When I introduced Ben Lyon to Maria Schell, who came to say au revoir before she returned to Vienna, he said, "it's such a pleasure to meet you. We saw you in a picture last night."

"That wasn't Maria," I told him. "It was Eva Marie Saint in 'Hail of Rain.'"

And Maria does look a little like Eva Marie, which you'll admit isn't bad. Maria said many people had told her about the resemblance, although Eva Marie's eyes are brown and Maria's are a luminous violet blue. She is such a dear, and I was so glad that she came to see me.

Snapshots of Hollywood collected at random: A most unusual twosome at Jack's At The Beach was Steve Cochran and Denise Darcel.

## Congress Looks To '58 Campaign

Senator Knowland, Senate minority leader, wouldn't be surprised if those who expect Congress to adjourn before Labor Day are overly optimistic. If he is right, this session of Congress is on the way toward being the second longest Washington has seen in all the peace-time years since 1933.

The longest session since then was in 1949 when economic recession and attempts to modify the Taft-Hartley Act kept the lawmakers in the Capital until late October. The Knowland prediction countered the general opinion in Washington that adjournment is near because members are tired, a bit indifferent, and because their wives and children are urging family vacations before schools resume.

It is not unusual for Congress to remain in session longer in non-election years than in the years when members have political campaigns to consider. Since 1933 the average length of peacetime sessions has been 227 days for non-election years and 185 days in election years. The current session has already passed the 227-day average for off-year meetings.

This is the year in which 1958 campaign issues are being developed and readied. And Congress has been busy priming its partisan guns with many issues and proposals. When enough ammunition has been gathered to satisfy the leaders, adjournment will come with a rush.

## These Days

By George E. Sokolsky

### The Nationalist Area

What is happening in Syria is a result of the aroused nationalism in Arabic countries which Soviet Russia did not foment but of which the Kremlin has taken full advantage. Nationalism has triumphed universally, the United States being the sole exception. Thus empires fall, countries are partitioned, colonies rise to independence, the earth is becoming more and more fragmented.

Already nationalism has destroyed the British, French and Dutch empires. Soviet Russia is stimulating nationalism while developing an empire, with what results we shall in due course see. The United States, which favors internationalism suicidally, is so deeply committed to the cost in wealth and life of a permanent military establishment, that it will have to revert to nationalism to maintain the morale of its people. Flags will fly again on the Fourth of July.

Professor Hans J. Morgenthau defines the concept of nationalism as follows:

"The idea of nationalism, both in its historic origins and in the political functions it has performed, is intimately connected with the idea of freedom and shares the latter's ambiguity. Nationalism as a political phenomenon must be understood as the aspiration for two freedoms, one collective, the other individual; the freedom of a nation from domination by another nation and the freedom of the individual to join the nation of his choice."

This is a correct view of the subject, the danger, however, always being that those countries which become most nationalistic then, in time, to conquer, repress, and subordinate their neighbors and set off on the route of imperialism. Thus, although it is not so many years since Dr. Sun Yat-sen described China as a semi-colony, Red China, once it regarded itself as established, conquered Tibet and an area of Burma and has been pressing upon all its neighbors. Tito has not followed this pattern, probably out of fear of Soviet Russia but with the Communist World, Titoism means not only nationalistic Communism but also the possibility of the danger of a grouping of anti-Russian Communist countries that might, in time, form a league of an association of states.

The monarchy was never really nationalistic. After all, kings and queens belonged to families not to nations and before most of them lost their thrones in Europe, they were cousins of one sort or another. The British Royal Family, which has survived all the revolutionary changes in Europe, now called the House of Windsor, descends from the German Electress, Sophia of Hanover who was herself a Stuart. The two predecessor families of the House of Windsor were the House of Hanover and the House of Saxe-Coburg and Gotha. The Russian Royal Family was mostly German and Danish. Nicholas II of Russia and George V of Great Britain resembled each other closely.

In a word, nationalism developed outside the royal households and in due course, upset monarchies and established what have come to be called democracies. Napoleon destroyed some 200 dynastic sovereignties, because when these principalities and dukedoms could neither protect their boundaries nor maintain internal order, they ceased to be of any value. Whenever that happened, a nation appeared which either stood on its own feet because it could or which was absorbed by some other nation because it could not stand on its own feet.

This same process is going on in the areas which were once either parts or protectorates of European empires. The battle for Oman looked picturesque but really it was a reflex of Saudi Arabian nationalism, the stimulating effects of Egyptian nationalism, the stirring of Islam by Egyptian revolutionary tactics, the desire to find increasing national liberty by economic development on a national scale.

The Syrian people are now intensely nationalistic, but Syria, as it has before in history, became dependent upon Egypt which now has a working alliance with Soviet Russia after having freed itself from the overlordship of Great Britain. Syria has no strength to defend its boundaries. There it moves as Egypt moves. The Syrian government not only cannot defend its own borders but cannot maintain order within those borders. So, it has been forced to capitulate to Russian imperialism as a response to internal challenges.

As Professor Morgenthau says: "... Free nations had only one enemy, and he was common to all of them: the dynastic oppressor of their freedom, individual and collective."

## Atomic Defense And Mr. Gaither's Big Task

WASHINGTON:

By Stewart Alsop

President Eisenhower has called the head of the Ford Foundation, H. Rowan Gaither Jr., to Washington to do a job of the very highest importance. Gaither's basic assignment is to study the possibility of employing new technological means of defense against atomic attack. In the opinion of some experts, these new techniques could save this country from total nuclear destruction if war comes.

Gaither will have the help of such top-level talent as industrialist-engineer Robert Sprague and Dr. James Killian of M. I. T. The Gaither group is the last of at least five such groups appointed in recent years to study air-atomic defense and related problems. Both Sprague and Killian have headed committees of their own, and there have also been the Bull, Kelly, and Wedemeyer groups, as well as the pre-Eisenhower Lincoln Project.

This almost endless series of committees reflects a simple fact—ever since Eisenhower became President, the threat of actual physical destruction of the United States, in case of nuclear war, has loomed larger and larger, engulfing all other problems.

Appointing one committee after another has been a way of temporizing with the problem. Yet it is also true that, as a result of the work of these committees, the United States has at least the bare beginnings of a serious air-atomic defense, where it had virtually none at all in the early Eisenhower years. The distant early warning line, for example, which opened for business in the sub-Arctic this month, is one result of the studies which have already been made.

But we have no more than the bare beginnings. The present

American air defense is totally inadequate to prevent a devastating attack by the growing Soviet air and missile forces. What we have done, essentially, is to buy the means of warning of an attack, without buying the means to respond effectively to the attack. The cancellation of contracts for the F3103 jet fighter is the latest move in the Wilson program of unilateral disarmament, which has left the continental air defense command with hardly more than a skeleton force.

Meanwhile, with evidence mounting of Soviet successes with the long range ballistic missiles, the days of the conventional plane-against-plane defense are clearly numbered in any case. At the same time, certain

"technological breakthroughs" have opened the way to a new, and infinitely more effective kind of defense, even against missiles.

Gaither's task is, essentially, to study the practical possibility of exploiting these new technical advances. The precise nature of the breakthroughs is secret. But they are undoubtedly related to recent great advances in electronics, and to such new weapons as the anti-missile missiles with nuclear warheads. New "shotgun techniques" of air-atomic defense will also doubtless be considered by the Gaither group.

Some technicians, perhaps over-optimistically, believe that a near-total defense, even against ballistic missiles with nuclear

## Who Stopped 1953 Probe Of Hoffa And Teamsters Union In Michigan?

By Drew Pearson

WASHINGTON — There would be no Hoffa headlines, no TV sets turned on to the Senate Rackets Committee, no sure bet that Jimmy Hoffa will be next president of the teamsters, if it hadn't been for a quirk of fate in Michigan four years ago.

Four years ago Hoffa was before another congressional committee. Much of the same information was being exposed about his personal loans, his race track, his police record, his deals with friends who benefited from union welfare funds, his attempts to muscle in on the juke box business, parking lots, and other enterprises far removed from the teamsters.

Then suddenly, the hearing was called off. It was called off by very high-up Republicans, and many signs pointed to Arthur Summerfield, now Postmaster General and a power in Michigan politics. He now denies this. But, in return, Hoffa supported Sen. Homer Ferguson, Republican, for re-election, later supported Mayor Albert Cobo, Republican, for governor against Democratic Governor "Soapy" Williams.

The mysterious question mark is: who worked out the deal to save Hoffa? Who called off the congressional dogs? If that probe had proceeded, Hoffa might not be the power he is today.

The question has met with denials all over the place. But here is what Republican congressmen

said at the time they were stopped dead in their tracks from investigating Hoffa:

### Who Killed The Probe?

Rep. Clare Hoffman of Michigan made a dozen speeches pointing the finger at unnamed high-up Republicans.

On Jan. 19, 1954 he said: "It takes courage sometimes to try to probe the racketeers in your own home city. . . . Mr. Hoffa testified under oath that his local had a million dollars in the treasury and that they had given him —Hoffa—authority to spend such part of that million in elections as he desires.

"In my own committee I was stripped of any authority to continue these investigations, except for a period of 60 days in two localities. Why?"

On Jan. 21, 1954 Hoffman continued: "I have been warned that retaliatory action would be taken if I investigated teamster racketeers."

On Feb. 3, Hoffman again complained that his committee had been "liquidated." "They gave me no reason for such action."

On Feb. 23, Hoffman protested: "The fact of the matter is they tried to cut my throat. . . . We were getting along all right exposing the racketeers and the extortionists, but we got too close to some politically high influential gentlemen. We were stepping on their toes. They said, 'cut that old man Hoffman off.'"

On March 24, Hoffman, still anxious to investigate Hoffa, charged that his committee had been "killed" and that this had encouraged racketeering and extortion.

In Detroit, as hearing suddenly folded, Congressman Wint Smith of Kansas looked at the ceiling and said: "The pressure comes from so high that I can't even discuss it."

Said Committee Counsel William F. McKenna: "We were silenced before we could make public certain important financial-legal aspects of the teamsters' operations."

Just who did the silencing is something the McClellan Com-

mittee should investigate. But it won't. Too many senators on his committee or their friends might be involved.

### Ugly Highways

Senator Chapman Revercomb of West Virginia cast the tie-breaking vote in the Senate Public Works Committee in favor of Madison Avenue's desire to clutter up the new federal highway system with billboards.

Voting with Revercomb were his fellow Republicans, Senators Martin of Pennsylvania, Kuchel of California, and Hruska of Nebraska; also Democratic Senators Kerr of Oklahoma, McNamara of Michigan, and Scott of North Carolina.

Before Revercomb cast his tie-breaking ballot, he pleaded with committee members to lay the bill on the table so he wouldn't have to vote. This made Senators Richard Neuberger (D. Ore.) and Albert Gore (D. Tenn.) furious.

"You want to have your cake and eat it, too," protested Neuberger at Revercomb. "You want to kill the anti-billboard bill, but you also want to be able to go home and tell the ladies in the garden club and the sportsmen in the outdoor club that we can revive the bill next year."

"I agree with Senator Gore that now is the time to act," insisted Neuberger. He explained that once the roads are built and the billboards are erected, it will be too late to beautify the federal highways.

Neuberger reminded his fellow senators that American school kids sing "America the Beautiful" in their classrooms.

"There's a line that goes, 'Oh, beautiful for spacious skies.' It's just too bad if statesmen can't live up to what their children sing in school."

Note—The anti-billboard bill, introduced by Neuberger in the Senate, hasn't even received a hearing in the House. Perhaps this is because the Chairman of the House Subcommittee on Roads is Rep. George Fallon (D-Md.) of Baltimore, who used to be in the business of printing signs for advertising.

If and when the Dodgers move from Brooklyn to Los Angeles it will not be the first exodus of a celebrated organization from Flatbush to the City of the Angels. Over 40 years ago the world famous Vitagraph Film Company, the cradle of some of the greatest of silent film stars, moved from Flatbush to Los Angeles. In this company were such film luminaries as Maurice Costello, Florence Turner, Norma and Constance Talmadge, Anita Stewart and Clara Kimball Young. The departure of this distinguished organization caused considerable comment but had no particular effect on the section it had deserted. The same will be true if the Dodgers leave. There will always be a Flatbush.

# Ellerslie Tops Mt. Savage, 7-6, Adds Playoff Title

## Pony Pennant Outdoor Club Winners Take Rubber Tilt

Catch By Faulkner  
Game Saver; Twain  
Lowery Bags 11th

Ellerslie added the Bi-State Pony League playoff title to its pennant winning performance yesterday by the third and deciding game of the final playoff series from Mt. Savage yesterday at Ellerslie. The score was 7-6.

Manager Curtis Hickie's aggregation won the game in the sixth inning when Royce Waltman tripled and came home on an overthrow of third base.

Mt. Savage got away to a flying start by scoring five runs in the first inning on an error and walk coupled with singles by LeRoy Morris and Dale Hott and a single by Tommy Deffenbach.

Two Belt Homers  
Ellerslie snapped back with three tallies in its half of the opening frame. Waltman was safe on an error. Don Lowery hit but was cut down trying to stretch it and Waltman advanced to third. Then Richard Lybarger and Jack Lowery slammed back-to-back homers.

Jack Lowery's single and stolen base. Steve Faulkner's walk and Jim Cook's three-base belt knotted the count at 3-all in the third frame. Ellerslie took a 6-5 lead in the fourth inning when Waltman got a life on an error, pilfered second base and scored on Don Lowery's hit.

Mt. Savage knotted the score in the sixth on Hott's second triple and Gordon's fielder's choice.

Faulkner Saves Day  
In the 7th inning, Mt. Savage had the tying run on first base when Faulkner saved the day by snaring Bobby Green's drive to right-center and doubled up. Often off first base to end the game.

Don Lowery collected three singles. Jack Lowery banged a homer and single and Lybarger hit a four-bagger for the winners. Dale Hott larruped a pair of triples and Morris had a three-bagger and single for Mt. Savage.

Twain Lowery concluded the season with an 11-2 record for the league champions. He won four straight in the playoffs, beating Cresaptown 12-3 and 9-4, and Mt. Savage 8-7 and 7-6. Bobby Green, who came on in the 4th inning of yesterday's game, was tagged with the loss.

Ends Fourth Season  
Yesterday's game concluded the fourth year of the Bi-State Pony League. Last year Cresaptown won the season title and Mt. Savage won the playoffs. Barton copped the flag in 1955 and Piedmont took post-season honors. In 1954 Mt. Savage won it all.

A league meeting will be held Wednesday at 8 p. m. at the Frostburg City Hall. Yesterday's score:  
Mt. Savage ..... 500 001 0-6 9 3  
Ellerslie ..... 302 101 8-7 9 1

## Defeats Vets In Opener, 5-1

Kauffman Victor,  
Johnson Homers

Glenn Kauffman turned in a five-hit pitching performance and struck out six as the pennant winning Outdoor Club whipped the Vets. by the score of 5-1 yesterday at Stitches Field in the opening game of the Rocking Chair Softball League's best-of-three semi-final playoff series.

It marked the fifth consecutive time this season that Manager Cecil Grimes' club had beaten the Vets. Scores of the four regular season games were 6-5, 12-4, 5-0 and 16-2. It also was Kauffman's third triumph over the Vets. The Vets. won the first game, 5-1, and one loss.

Wins 13th Straight  
Extending its winning streak to 13 games, the Outdoor Club scored two runs in the first inning and one each in the third, fifth and sixth frames. The Vets. averted a shutout defeat in the final stanza when Phil Reuschel tripled and scored on Jim Fradiska's sacrifice fly.

In the first inning Ted Durbin's single and walks to Pete Elliott and Jim Eckard loaded the bases. Vern Penner then delivered a two-run single.

Singles by Elliott and Eckard and walks to Mil Dean and Sam Brady forced in a run in the third.

Johnson Hits Homer  
Penner, Dean and Brady hit safely to bring in another marker in the fifth. "Butch" Johnson's solo homer in the 6th was the final ODC tally.

Johnson, Durbin and Penner shared six of the winning team's 11 hits. Reuschel accounted for two of the five safeties issued by Kauffman. Tom Gifford was the losing pitcher. He was supplanted by "Chug" Aman in the third inning.

The second game of the series is billed for Wednesday at 6 p. m. at Stitches Field. The Elks and Pittsburgh Plate Glass Company open their three-game series today at 6 o'clock on the same field. Score:

V. F. W. .... 000 000 1-1 5 2

## Eugene Shaw Resigns Post At Allegany

Cage And Baseball  
Coach Gets New Job  
At Nyack, N. Y. High

Robert Eugene (Gene) Shaw, basketball and baseball coach at Allegany High School, is resigning from the faculty at the Campobello school to accept a teaching-coaching position at Nyack (N.Y.) High School, according to Ralph R. Webster, superintendent of Allegany County public schools.

Mr. Webster stated that Shaw had received an attractive offer from the New York State school and added that such an offer could not be equalled here.

At Nyack, Shaw will teach physical education and coach basketball, according to Mr. Webster.

An alumnus of Allegany High School where he excelled as a basketball player, Shaw became head basketball coach at the Campobello school in June 1954 following the resignation of Walter L. Bowers as mentor of athletic teams. He coached Allegany cage teams for two years and his quints won 36 games and lost 12.

The 1955-56 team's record was 19-6 while the 1956-57 quint won 17 and lost six. His assistant in basketball last season was Chester G. Payne, head football coach at Allegany High and successor to Roy Lester, who resigned to become coach of freshman football and basketball at the University of Maryland.

When Lester moved to College Park, Shaw also inherited the post of baseball coach at Allegany. His 1956 team turned in a record of seven wins and eight losses while the 1957 aggregation won nine, lost five and played one tie.

Mr. Webster was unable to name Shaw's successor at this time.

## Jim Norris Stricken By Food Poisoning

NEW YORK, Aug. 26 (AP)—Promoter James D. Norris was stricken by food poisoning and taken to a hospital late today, postponing a meeting with middleweight champion Sugar Ray Robinson, who had been threatened with loss of his title earlier in the day by the State Athletic Commission.

Norris, 50, became ill in International Boxing Club offices at Madison Square Garden shortly before Robinson showed up with his managerial retinue and lawyers.

Robinson had arranged the meeting after the commission ruled he had to fight Carmen Basilio Sept. 23 as scheduled or face possible loss of the 160-pound crown. The champs' advisers had urged him to thresh out his troubles with Norris in a meeting with the IBC secretary.

Truman Gibson, IBC secretary, said a doctor described Norris' ailment as food poisoning.

## Kennell Wins Country Club Caddie Title

Leo Kennell won the golf caddie championship at the Cumberland Country Club yesterday by defeating Fred Singleton, 2 up on the 18th hole, in the finals of the title fight.

Charles Stewart defeated Allen Smith, 4 up on the 18th, to win the second flight.

Third flight honors went to Tommy Miller who won via the forfeit route.

## LaVale Orioles Win Series Opener, 7-6

LaVale's Orioles nosed out the Cresaptown Eagles by the score of 7-6 in the first game of a three-game series between the teams at Parkside Field.

The second game will be played Wednesday at 6 p. m., at Cresaptown.

Roger James went the route for the Orioles and fanned six. Steve Vandenberg struck out 11 Orioles. Vandenberg and R. Miller slammed a homer and single each and Kermit Clem rapped a triple to spark Cresaptown at the plate. Teddy Bennett obtained two of the Orioles' six safeties.

## Bosox Clobber Kansas City's Pitchers, 16-0

Score Ten In 7th,  
Belt Six Homers

KANSAS CITY, Aug. 26 (AP)—Willard Nixon scattered five hits while his Boston teammates clobbered five Kansas City pitchers for 19, including six home runs, today as the Red Sox defeated the Athletics 16-0.

The defeat was the worst suffered by Kansas City this season. Boston collected 10 of its runs in a riotous seventh inning in which the Red Sox hit four homers.

Frank Malzone hit two home runs and Norm Zauchin, Ted Lepcio, Jim Piersall and Gene Stephens hit one each. The Red Sox' 19 hits represents the season high against Kansas City pitching. Malzone also socked a double and a single. Jackie Jensen and Pete Daley collected three hits apiece. Ted Williams had two hits in four trips to boost his league leading average to .379.

Nixon fanned three, walked one and gave up only one extra base hit, a double by Tim Thompson. The game, attended by 7,730, was Boston's final appearance of the season in Kansas City.

## Ron Northey's Pinch Single Beats Braves

Milwaukee Beaten  
By Phillies, 4-3

PHILADELPHIA, Aug. 26 (AP)—Pinch-hitter Ron Northey came through with a bases-loaded single in the ninth inning, breaking a tie and giving the Philadelphia Phillies a 4-3 victory over the Milwaukee Braves tonight.

Northey's hit, a liner into right field, came after reliever Ernie Johnson walked Ted Kazanski and yielded a single to Chico Fernandez. Harry Anderson batted for catcher Joe Lonnett and was purposefully passed.

Northey's hit capped the relief work of Dick Farrell, who took over from Jack Sanford after successive singles by Wes Covington and Bob Hazle. Farrell struck out Felix Mantilla and Del Crandall and got pinchhitter Nippy Jones to pop out.

The Phils' victory nicked half a game from the Braves' National League lead. They are seven games ahead of Brooklyn and St. Louis, both idle.

Fernandez' error opened the gates for Milwaukee, trailing 3-1 in the eighth. Fernandez fumbled and Crandall was safe at first. Red Schoendienst doubled, Crandall reached third. Both scored on a single by Eddie Mathews, tying the game. Farrell notched his sixth victory against two losses. Johnson got himself an identical record in absorbing the defeat.

## Flight History Wins Over Iron Liege In Clang 'Cap

Swoon's Son, 4 To 5  
Choice, Finishes 5th

CHICAGO, Aug. 26 (INS)—sprint in a fast 1:10 1/5 and paid Mrs. Ada L. Rice's Flight History, a rank outsider, caught Audley Stable's Craigwood at the eighth pole today and then barely beat out the onrushing Iron Liege to win the 16th running of the \$22,300 Clang Handicap at Washington Park.

King Bruce II finished third and Craigwood was fourth in the eight-horse field.

Mighty Swoon's Son, the heavy 4 to 5 betting choice, wound up four winners for the day.

# Lary Masters Yankees, 5-2, Detroit Sweeps Series

## Tigers Cut New York's Lead To 3½

Al Kaline's 3-Run Homer Wins In 1st; Mantle Socks 33rd

DETROIT, Aug. 26 (INS)—Detroit's Frank Lary overcame the damage caused by Mickey Mantle's early power and with the help of Al Kaline's third home run in two days rolled to a 5-2 victory over the New York Yankees today.

Kaline's first inning home run with two men on base wiped out a 2-0 lead the Yankees had taken on Mantle's 33rd home run. Lary was steady the rest of the way to pick up his fourth straight victory. Mantle added a single in four trips and increased his batting average to .377.

Enos Slaughter drew a base on balls before Mantle sent a tremendous wallop into the upper left center field seats.

Kaline, the Tigers' hottest hitter, slugged his 17th round tripper in the bottom of the first after Yankee starter Tommy Byrne hit leadoff man Frank Bolling and walked Harvey Kuenn.

The triumph enabled the Tigers to sweep the two-game series and squared their season series with the defending world champions at 10 games apiece.

Byrne lasted less than one inning. He was lifted for Johnny Kucks after walking a batter behind Kaline's home run. The Tigers scored single runs off Kucks in the second and fifth innings. Harvey Kuenn drove in the second inning run with a single and Charley Maxwell's sacrifice fly brought in the other.

The defeat left the Yanks only 3½ games in front of the second-place Chicago White Sox who open a three-game series with the league leaders Tuesday night.

## Uniform Race Rules Sought By Rinehart

Meeting Scheduled Nov. 9-10 At Laurel

BALTIMORE, Aug. 26 (INS)—D. Eldred Rinehart, president of the National Assn. of State Racing Commissioners, has called a meeting of a rules committee to attempt to work out uniform racing rules.

The seven member group, headed by Chairman Richard J. White Jr. of the Massachusetts Racing Commission, will meet Nov. 9-10 at Laurel Race Course.

Rinehart has been working on the rules question since he was elected president of the national group last April. Rules which Rinehart feels need national uniformity include those on apprentice jockeys, claiming, disqualification and jockey helmets.

The committee is expected to draft basic rules for consideration at the NASRC convention in Miami next April.

Besides White, other committee members are Samuel M. Look of Kentucky, J. Malcolm of West Virginia, Hugh L. Mehoffer of New Jersey, John R. Ring of Florida, George I. Holmes of California and F. Richard Hile of Colorado.

## Swede Runs Mile Under Four Minutes

GOTEBORG, Sweden, Aug. 26 (INS)—Sweden's Dan Waern, running on a track slowed down by three days of rain, turned in another sub-four-minute mile today when he was clocked in 3:59.6 in a race at an international track meet.

Waern won the mile race by 10 yards over Roger Moens of Belgium. Moens was timed in 4:01.8, while Sweden's Ingvar Eriksson was third in 4:03.6.

Waern's first "miracle mile," a 3:59.3 effort, was recorded on July 19, the same day Britain's Derek Ibbotson set a new world record of 3:57.2.

America's Reggie Pearman won the 400-meters dash in 47.6 seconds and Josh Culbreath won the 400-meter hurdles in 51.5 seconds.

Ken Bantum of the U. S. won the shotgun event.

## Frostburg Orioles Bag Playoff Title In Little League

FROSTBURG, Aug. 26 — Manager "Peck" Kidwell's Orioles scored four runs in the 6th and final inning, defeated the Lions by the score of 5-3 and romped off with the playoff title in the Frostburg Little League today.

The Lions had won the regular season championship.

Bruce Shirey with three hits and Wayne Miller with a double and single to his credit led the Orioles' eight-hit attack. Jim Wilson collected two of the Lions' six safeties and Carter blasted a two-run homer in the bottom of the 7th frame.

The win gave the Orioles a two-game sweep of the series. They won the first game of the scheduled best-of-three series on Friday by the score of 7-1.

Jimmy Diehl blanked the Lions until the final frame when they scored three runs. He struck out ten. Jim Wilson went the route for the Lions and whiffed six. Score:

## Hambletonian Harness Race Set For Today

21 Entries To Vie For \$111,126 Purse

DUQUOIN, Ill., Aug. 26 (INS)—Hambletonian eligibles jogged around the mile Duquoin State Fair track today in workouts for tomorrow's 32nd renewal of the biggest event in harness racing.

Horsemen said a continuation of sunny and hot weather, which has turned the baked clay track into lightning fast condition, could increase the chance of running times approaching the two minute heat record set by Hoot Mon in the 1947 Hambletonian.

But the weather bureau dampened their spirits with a forecast of possible scattered showers for the Duquoin area tomorrow.

The 21 entries in the \$111,126.25 race for three-year-olds—split in two divisions for the first time in history because of the big field—look to the track between 6 a. m. and noon today.

Buckeye Demon and Hoot Song still occupied favorite roles in pre-race discussions among owners, drivers, and stable hands.

Buckeye Demon, owned by the Bettenkill Stable of East Dorset, Vt., will run in the first division consisting of 11 entries. The colt sired by a former Hambletonian winner, Demon Hanover, will be driven by Harrison Hoyt and will break from the No. 1 post position. Hoyt, 47-years-old, is the only amateur ever to win the Trotting classic. He guided Demon Hanover to victory in the 1948 Hambletonian.

Four heats will be run—two in each division. The winners, either two, three or four, then will run in a raceoff for the title. Post time for the two heats in the first division are 2:45 p. m. and 3:45 p. m. CDT. The second division heats are due to get off at 3 p. m. and 4 p. m. CDT. The raceoff in heat is set for 4:50 p. m. CDT.

## Giants Crush Redlegs, 17-3, With 19 Hits

Cincinnati Drops Into Fifth Place

NEW YORK, Aug. 26 (INS)—The New York Giants continued their brilliant late-summer drive toward the National League's first division today by trouncing the Cincinnati Redlegs, 17-3, on a 19-hit attack featuring home runs by Hank Sauer and Danny O'Connell. Scoring in clusters of five each in the third and sixth innings and six runs in the seventh, the Giants streaked to within three games of the faltering Redlegs, who fell to fifth place with their 13th loss in their last 14 games.

Reliever Ramon Monzant turned in the best pitching. He took over for Giants' starter Ray Crone in the fourth and went the rest of the way to pick up his second victory. He has lost one.

After Cincinnati took a 1-0 lead in the second on a double by Smokey Burgess and a single by Roy McMillan, the Giants went to work. Their five-run third was highlighted by Willie Mays' two-run triple. This outburst knocked out starter Vincente Amor. He was charged with his second loss.

Segura defeated Ken Rosewall of Australia Saturday, 6-2, 6-4 and Jack Kramer Sunday, 6-1, 8-6. In the doubles Sunday, Segura and Lew Hoad of Australia defeated Kramer and Rosewall, 6-1, 7-5. Hoad defeated Kramer Saturday, 6-4, 4-6, 7-5, 6-3. Sunday Rosewall defeated Hoad, 6-2, 6-3.

## Returns To Chain

RICHMOND, Va. (INS)—Second baseman Milt Graff, who batted .317 for Birmingham last year and had high hopes of some day becoming a New York Yankee, had his dreams shattered last time for the two heats in the first February when he was dealt to the Kansas City Athletics. However, in a mid-June package deal, Graff went back to the m. and 4 p. m. CDT. The raceoff in heat is set for 4:50 p. m. CDT.

## SPORTS GRILL by Pat Robinson International News Service Sports Writer

NEW YORK, Aug. 26—(INS)—You haven't been reading any dope stories this year telling you how many games this or that slugger is ahead of Babe Ruth's pace the year (1927) he hit the record 60 homers.

And for a very good reason. Nobody is going to come close to hitting 60 homers, and it is unlikely that anybody in either major league will hit even 50.

Duke Snider, homerun ace of the Dodgers, will be delighted to settle for 40 for the fifth consecutive year to tie Ralph Kiner's National League mark.

We asked Duke if he had an explanation for the general falling off in homerun hitting this year.

"Sure," said Duke, "better pitching."

Duke took time to belt a couple out of the ball park in batting practice and resumed:

"The pitching is better because the pitchers, even the real young ones, are showing better control. Almost any big guy can hit one out of the lot if he gets the ball he likes to hit.

"Some of these young cuties have learned how to keep the ball you want away from you. In other words, they've learned how to pitch through experience."

Gil Hodges, the Dodgers' big first baseman and a pretty fair hitter in his own right, agrees

with Snider.

"If a pitcher has great control," says Gil, "and can pitch to spots nobody is going to get many homers off him. Suppose a hitter's weakness is a low outside curve. If the pitcher can keep the ball there he's okay."

But suppose the pitcher's control is off and his curve hangs and he gets the ball over the plate waist high. Chances are that ball is going into the bleachers or over a fence."

Manager Walt Alston is not thinking about Dodger homers unless they win games for him. He'll be glad to settle for singles and doubles if there are enough of them.

It's strange how quickly a rumor can travel over the baseball grapevine. Let a newcomer indicate a weakness for a curve or a change of pace, and within 48 hours every bench in the league knows all about it.

Let a new pitcher show an inclination to tighten up in the clutch, and everybody soon knows it and acts accordingly.

And what do you suppose the latest rumor in the dugouts is? You guessed it—the rumor is that the Milwaukee Braves have begun to tighten up and are running scared like a politician.

Seems the Braves have begun

## Roy Sievers, Mantle Tied At 33 Homers

Hank Aaron Paces NL With Total 37

NEW YORK, Aug. 26 (INS)—Roy Sievers is in a good position to replace Mickey Mantle as the American League home run king and become the first Washington player to lead his circuit in this department.

While Mantle and Ted Williams have slowed up in their home run production—Sievers walloped three last week to tie for the lead with Mantle.

Roy's total of 33 already gives him the all-time mark for any Senators' player. Mantle hit No. 33 today and Williams has 31.

Sievers has moved past Mantle in the runs batted in competition. He had four last week, giving him 89 for the season. The Yankees' centerfielder has 87 followed by Minnie Minoso of Chicago with 82.

In the National League, Hank Aaron of Milwaukee dominates both the home run and RBI races. Hank hit three homers and drove in seven runs in last week's action. His totals are 37 circuit blows and 102 runs batted in.

asking everybody if they think they are sure to win. Could be, but with a long lead and only a few games left to play, were the Braves to blow it now the good burghers in Milwaukee probably would drown the club in beer. Is that bad?

## Chisox Confident Of Pitching On Eve Of Series With Yankees

Hitting Uncertain, Showdown To Open In Chicago Tonight

CHICAGO, Aug. 26 (INS)—The Chicago White Sox today contemplated their big series against the New York Yankees with mixed emotions.

They were cocksure about their pitching but concerned about how well they will hit in the three-game showdown that opens tomorrow night in Comiskey Park.

The Yanks were 3½ games ahead of the Sox after New York's loss to Detroit today. So the Chicago series will bear a "must win" label for the contenders in the American League pennant race.

The second-place Sox, given a day of rest, were ready to go all-out in a move to narrow the gap that separates them from the league-leading New Yorkers.

Manager Al Lopez said that the Sox were in better physical shape to face the Yankees than they have been for a long time.

"I'm not worried about our pitching," he said. But, switching to the subject of hitting, he added that outfielder Larry Doby and catcher Sherman Lollar "have to give us the boost we need."

Lollar seems ready to provide his share of the boosting. He has an eight-game hitting streak going for him. In that span he had hit at a .419 clip and has driven in 12 runs.

But Doby has been hitless in his last 12 times at bat. "Let's hope," Lopez commented,

## Graham Is Coaching Quarterbacks In NFL

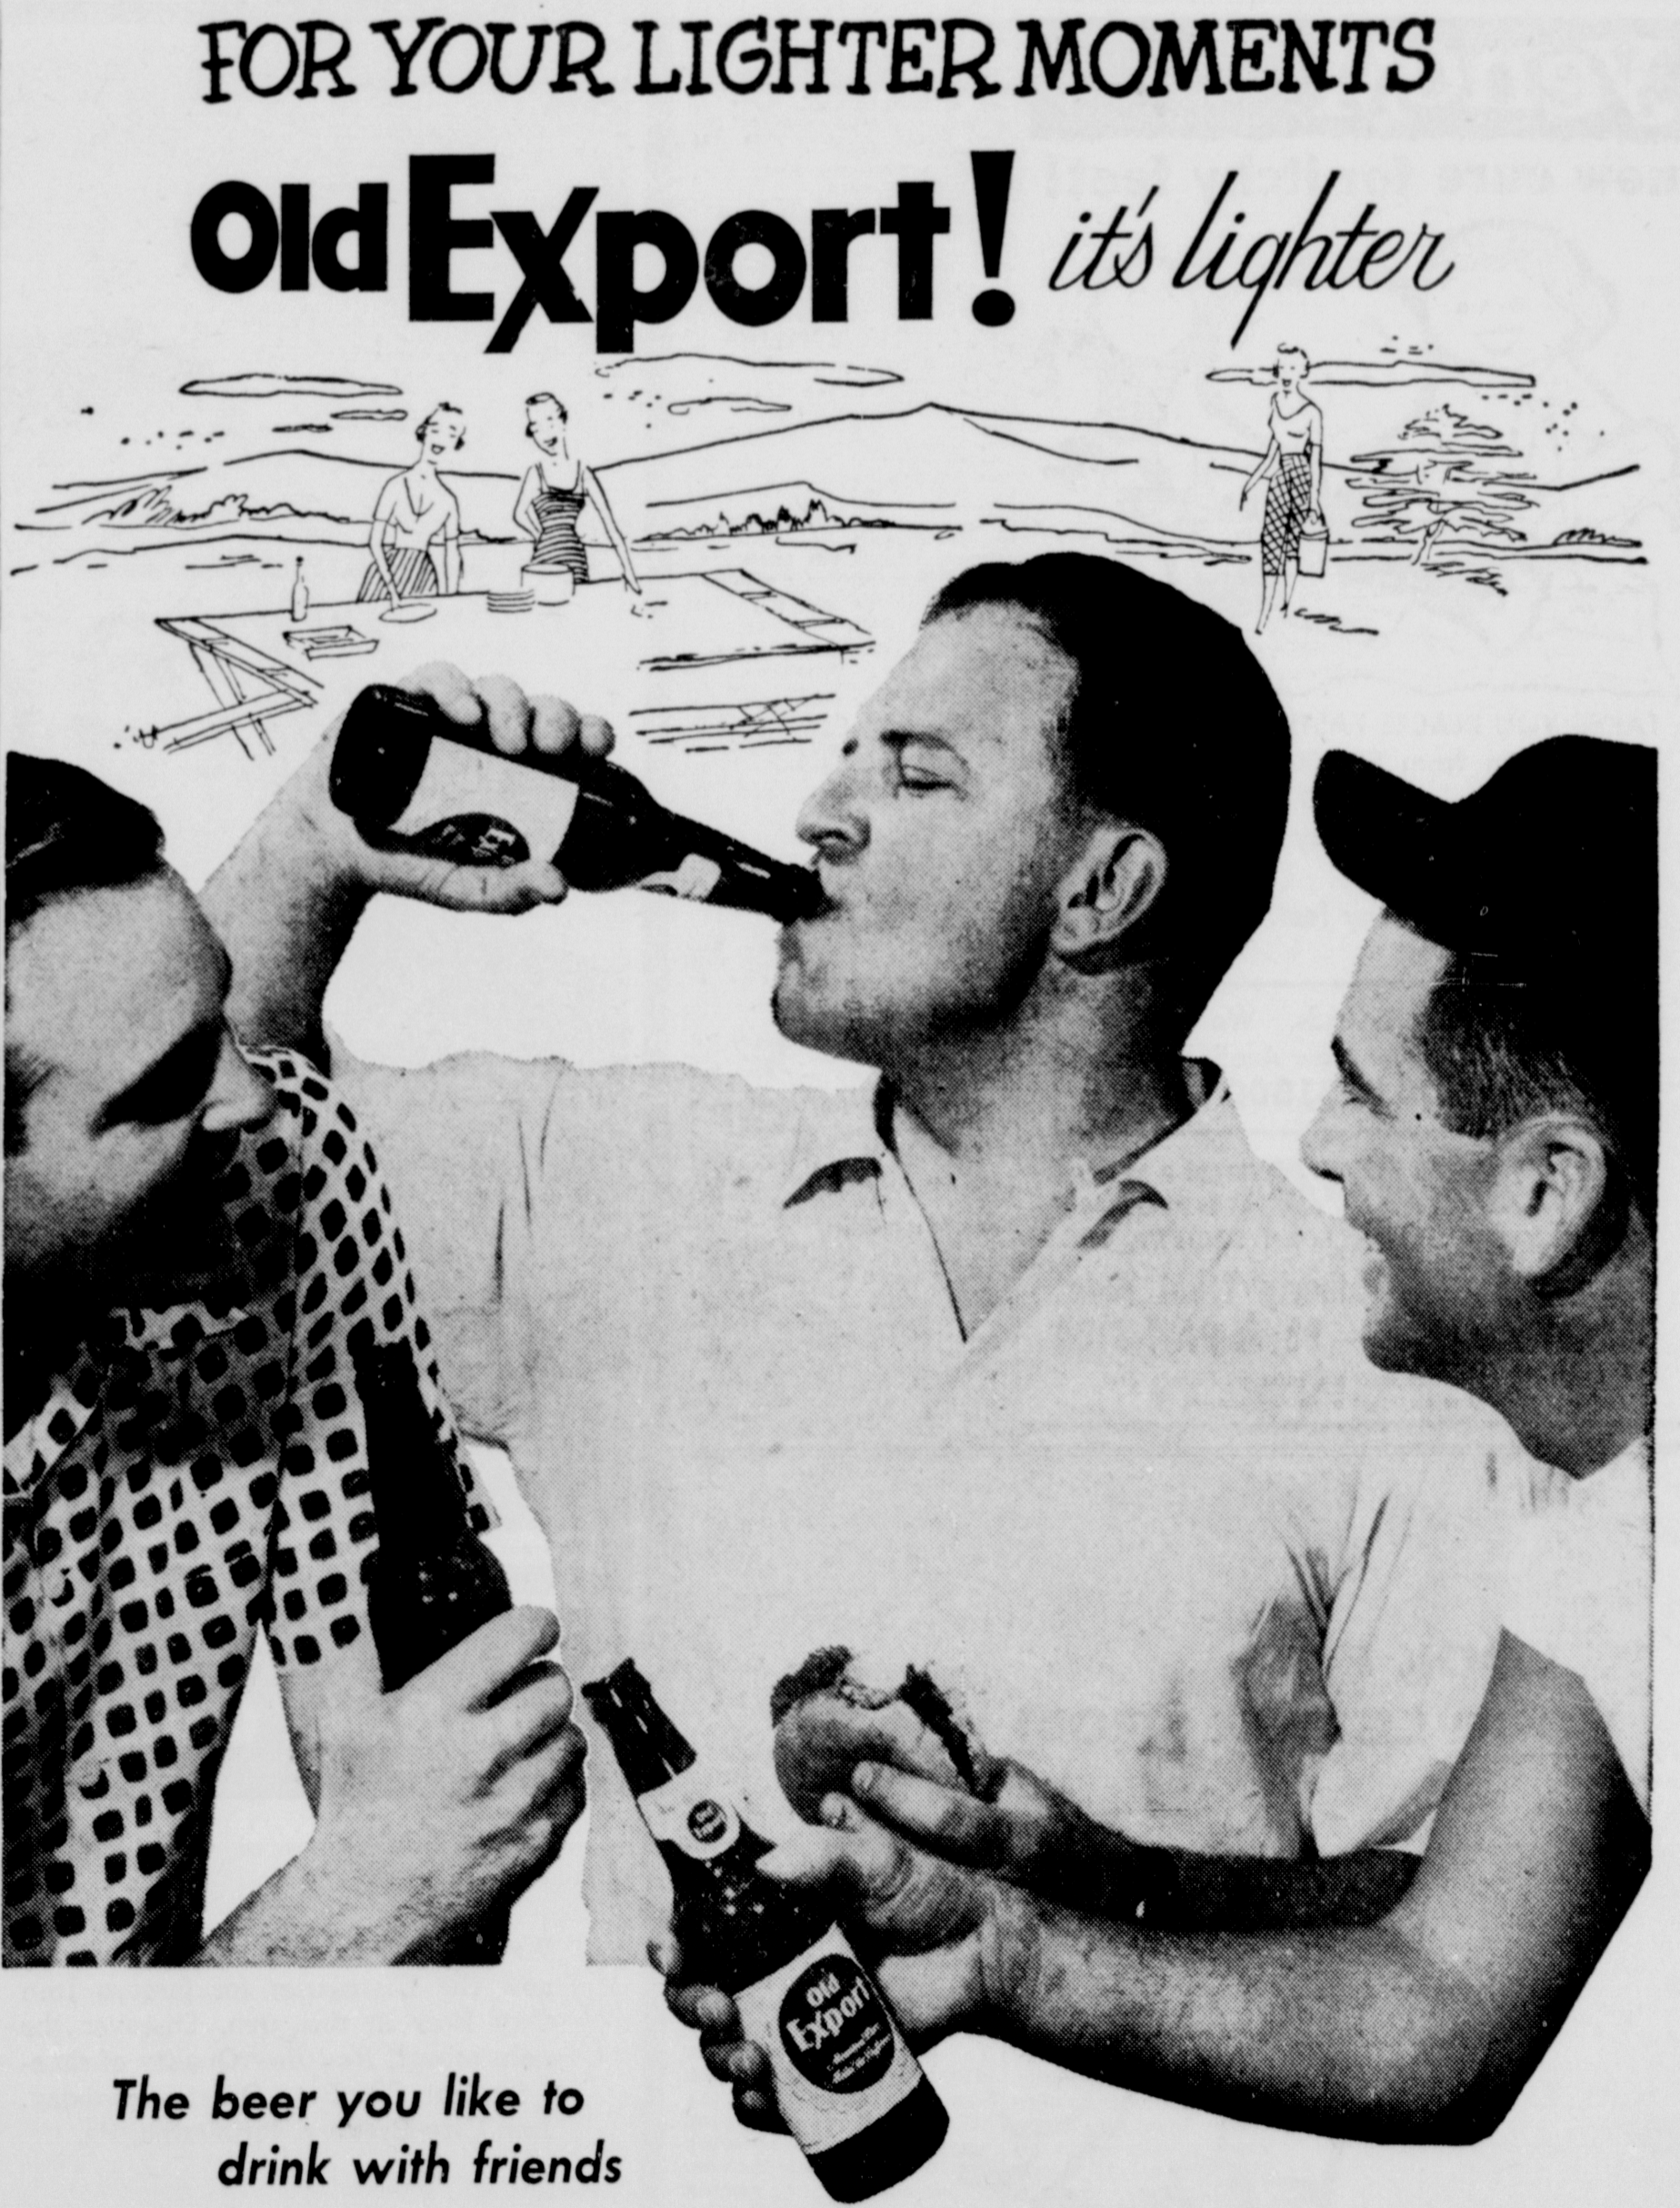

WESTMINSTER, Md., Aug. 26 (INS)—Otto Graham unlimbered his passing arm today at the Baltimore Colts training camp.

Graham, record-breaking quarterback for the Cleveland Browns for 10 years, began a week of instruction as special quarterback coach of the National Football League club.

Graham will remain with the Colts until Saturday, coaching quarterbacks George Shaw, Cotton Davidson and John Unitas.

One Colt was sidelined for today's workout. Defensive back Don Shula injured his ribs in Saturday night's 24-24 exhibition tie with the Chicago Bears in Cincinnati.

"he's saving his hits for the Yank series."

# Sequoia, 28-1 Shot, Scores

## Cops 66th Spinway And Returns \$58.30

SARATOGA SPRINGS, N. Y., Aug. 26 (AP)—Claiborne Farm's Sequoia, extreme outsider at 28 to 1, knocked the cold dope for a loop as she splashed her way to victory here today in the 66th Spinway Stakes, oldest race for 2-year-old fillies on this continent.

A crowd of 11,015 that braved inclement weather, saw Bobby Ussery, the hottest rider now on the grounds, drive the daughter of Princequillo across the line a length and a half before George D. Widener's Armorial, the third choice in the field of nine. A similar margin away came Mrs. Anson A. Bigelow's Bridgework, the second choice, while Walter M. Jeffords' Locust Time, a 20 to 1 chance, finished fourth, three more lengths back.

Sequoia, eighth in the Schuylerville in her previous start, earned \$32,560 from the gross of \$43,520. This was her third victory in six starts, having won two races at Belmont early in the season. She is owned by Kentucky's famous breeder, Arthur B. Hancock.

Backers of Sequoia collected \$58.30, \$18.60 and \$8.20 across the board. Armorial, ridden by Paul J. Bailey, returned \$5.30 and \$4.40. Bridgework, ridden by Pete Anderson and coupled with Romanca, was \$3.90 third. Romanca finished sixth.

### Cards of Thanks

We wish to express our sincere thanks and appreciation to our friends and neighbors for their many expressions of kindness and sympathy during the recent death of our beloved husband and father, John H. Snyder. We sincerely want to thank Rev. Hixon C. Bowersox for his comforting words. Wife, Son and Daughter

### In Memoriam

In loving memory of our beloved daughter, Mrs. Mildred Cunningham, who passed away one year ago today, August 27, 1956.  
In that wonderful heavenly garden, Where sweet flowers bloom,  
She is happy and contented,  
Free from earthly pain.  
Sadly missed by her MOTHER, CHILDREN AND HUSBAND.  
In memory of Mabel V. Smith, who died 5 years ago, Aug. 27, 1952. Five long years have gone by, Since you've quieted your voice and closed your eyes.  
It seems so much longer to me, One who has missed you more than any ever.  
I only hoped and prayed that you could have stayed here with me, But the Good Lord above saw a reason for you to go.  
And for me to question who knows, And as we say, the blind cannot see, But we will meet again someday, And be together forever, all along the way.  
Sadly missed by her daughter, DOROTHY

The bidding:  
West North East South  
Pass 1 diamond 2 hearts 3 spades  
Pass 2 no trump Pass 4 hearts  
Pass 4 spades Pass 5 spades  
Double Pass Pass Pass

Opening lead: Queen of hearts.

Today, we have another instance to report of a player who doubled a slam contract to net himself an additional 100 points and wound up with a deficit of 1,860 instead. And he knows just whom to blame, too.

East, sensing that he opposed a strong holding, could do no better than clog up the lines of communication and hope that the enemy would stumble into an unsound contract, but North and

West opened the queen of hearts which was taken with the ace in dummy, as declarer discarded a club. Warned by the double that the trumps were massed in the West hand, declarer decided against taking the normal finesse in spades. He planned, instead, to shorten his own trumps and project an end play against his left hand opponent.

Accordingly, he cashed the king and ace of diamonds and ruffed a diamond in his own hand. He then led a club to the ace and ruffed another diamond. This brought declarer down to five trumps. He then cashed the king of clubs and ruffed a club with dummy's low trump. On the return, declarer ruffed the last diamond, which reduced him to four trumps, presumably the same number as held by West.

At this point he led a low spade toward dummy's jack, and West was helpless to defend. If he went up with the king, he would have to lead from his 10-8-5 into South's A-Q-9. If West chose to duck, dummy's jack would win and dummy would lead a heart for South to ruff with the nine. West could over-ruff with the ten but would be obliged to concede the last two tricks to declarer.

Originally, pedestals were used only to carry statues, but the ancient Romans occasionally placed columns upon pedestals.

**DAILY CRYPTOQUOTE — Here's how to work it:**  
A X Y D L B A A X R  
L X O N G F L L O W

One letter simply stands for another. In this sample A is used for the three L's. X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

Stock Prices Take Sharp Drop In Active Trading

NEW YORK, Aug. 26 (U.S.) — The stock market's series of "blue Mondays" stretched to seven straight today as prices were beaten down in active trading.

The sell-off cut an estimated \$2,700,000,000 from the quoted value of listed stocks and was unusual for recent sessions insofar as the break in prices was accompanied by brisk turnover, lending emphasis to the decline.

Today's news was by no means all bad, what with the increase in steel output and reports that steel orders for 1958 automobiles are starting to arrive.

The Associated Press average of 60 stocks fell \$2.20 to \$171.50, a new low since the year's peak was established in July.

South American Gold & Platinum was the most active stock, off ½ at 9 on 112.100 shares. Second was U. S. Hoffman Machinery, up ¼ at 7¼ on 50,800 shares. Third was Bethlehem Steel, off ½ at 43½ on 42,700 shares.

Next came General Dynamics up ¼ at 54½, and Standard Oil (New Jersey), off 1½ at 60.

U. S. Hoffman Machinery had the benefit of news that its new management group has made a commitment to buy a half million shares of its stock. General Dynamics rode to the upside with the help of a strong recommendation from an advisory service.

Among losers were Du Pont 2½, Chrysler ¾, Douglas Aircraft 1¼, Amerasia 1½, Illinois Central 1¼, Schering 4, American Home Products 6¼, Baltimore & Ohio 1¼, Kennecott 1½ and Union Carbide 17½.

## Six Injured In Three Area Road Crashes

Four Persons Hospitalized

Six persons were injured, four of them having been admitted to local hospitals yesterday, as a result of injuries suffered in three separate highway accidents.

The accidents included a two-car collision on Bedford Road, a motorcycle-auto collision in Wiley Ford and a third crash in which an auto and chicken truck collided in the Petersburg, W. Va. area.

In the collision on Bedford Road, two persons were injured. Admitted to Sacred Heart Hospital was James Edward Lindner, 17, of 23 Bedford Street, driver of one of the cars, who sustained a badly lacerated nose and lips and also had several teeth broken. He will be X-rayed.

### Young Wife Treated

Treated at Memorial Hospital was Mrs. Regina C. Dicken, 18, wife of Donald Eugene Dicken, 20, of RFD 3, city, driver of the other car. She sustained lacerations of the face and abrasions of both knees. Mrs. Dicken was a passenger in the front seat of the car.

Trooper J. F. Stakem said the accident occurred at 5:30 p. m. about three and a half miles north of Cumberland on U.S. Route 220.

Dicken was traveling north while Lindner was headed south toward Cumberland and both apparently swerved to the center of the highway causing the crash. Both drivers were charged with reckless driving and face hearings in Trial Magistrates Court here.

### Youths Injured

Two 17-year-old Wiley Ford youths were injured yesterday when the motorcycle they were riding crashed into a car in that community as they were traveling along West Virginia State Route 28.

Full details of the accident were not available last night. Attached at Memorial Hospital said Harold James a passenger on the cycle was admitted and is in "satisfactory" condition. He sustained a fractured left hip.

Treated at the same hospital was Murrell Robinette, operator of the motorcycle, who was treated for multiple lacerations of his scalp as well as abrasions and contusions.

The youths were taken to the hospital in the Astor ambulance about 5:30. In the Petersburg area collision a Wilkinsburg, Pa. coupe was admitted to Memorial Hospital here.

Frederick W. Peters, 63 and his wife, Jenny, 57, reportedly collided with a chicken truck and were brought by ambulance to the local hospital.

Mr. Peters sustained a possible fractured left forearm, possible chest injuries and multiple abrasions and lacerations. His wife sustained possible fractured ribs, possible head injuries and also a laceration of her forehead. Both are in fair condition. They were taken to the hospital about 5 p. m.

## Some W.Va. Towns Need Water Supply

CHARLESTON, W. Va., Aug. 26.—West Virginia, with six times the amount of water it needs, has communities running short of water, a committee of legislators was told today.

Walter C. Gumbel of Fairmont also reported that in some sections of West Virginia the problem of distributing water is critical. He urged more power for the State Water Commission, of which he is a member, to budget the state's water for its needs.

Gumbel spoke before the Joint Interim Committee on Government and Finance and Commission on Interstate Cooperation, at the first day of its two-day meeting.

At present, Gumbel said, the Water Commission is limited to carrying out the state's water pollution laws. He recommended that a new "State Water Resources Commission" be set up instead, which would plan for overall water use, collect data and supervise the development of water facilities in the state.

## Cub Pack 1 Plans Outing

Cub Scout Pack 1 of Columbia Street School will hold its pack meeting Wednesday in grove 2, Constitution Park.

Beginning at 6 p. m., a pioneer roast will be held. Each pioneer is to bring his own food and beverage.

It is important for all parents to be present, as a planning meeting for the coming year will be held immediately following the pioneer roast. James Gall, cubmaster, will conduct the meeting. Walter Maxey, neighborhood commissioner, and Willis Smith, scout executive, will be present to assist with the planning.

A Captain Kidd treasure hunt will be held for the boys during the meeting.

## City's Budget Appropriations Are Approved

Ordinance Passes As Mayor Dissents

Appropriations for the 1957-58 fiscal year were approved yesterday by the Mayor and Council with a dissenting vote by Mayor Roy W. Eves.

Mayor Eves had delayed passage of the appropriations with a negative vote Friday after council had unanimously fixed the tax rate at \$1.57 for each \$100 of assessable property.

The Mayor opposed the appropriations ordinance because he was concerned over failure to provide pay increases for city workers and what he termed "inconsistent" budget increases.

Under the ordinance passed yesterday, \$1,663,326.75 is appropriated for operating expenses and \$342,533.25 for debt service including \$99,500 for the sewage treatment plant.

Appropriated for operating the sewage plant is \$148,000.

Following are the appropriations to the even dollar as compared to the last fiscal year.

	1957-58	1956-57
Acc. Awards	6,000	6,000
Airport Expense	15,000	20,000

Relocation Sewers	37,000	37,000
Industrial Bldg.	148,000	148,000
Sewage Treat.	148,000	148,000
Totals	\$1,663,326	\$1,404,826

Debt service includes this: For 1957-58: General obligations—coupons, \$96,033.25; serial bonds maturing, \$147,033.25 for a total of \$243,033.25. Sewage disposal, plant—coupons, \$49,500; bonds maturing, \$50,000, for a total of \$99,500 or an overall sum of \$342,533.25. (Sewage service does not affect the tax rate).

This compares with the 1956-57 debt service of \$102,703.75 for coupons; and \$147,000 for serial bonds, a total of \$249,703.75.

Total appropriation for the last fiscal year was \$1,654,530 compared to \$2,005,860 for the 1957-58 fiscal year.

The appropriations were passed without comment. Finance Commissioner John J. Long, however, had previously challenged Eves to find a "better way" to line up the budget.

Long did have two suggestions which he tied to the budget action. Now that council has passed the budget, he said, it would be his proposal that (1) reactivation of the Recreation Board be considered and he could give at least one name for consideration; (2) that the Engineering Department should draw up a "pie chart" of the city financial setup to show the taxpayer where his dollar is going.

The \$1.57 tax rate approved last Friday is one cent less than that last year, a fact brought about by a decrease in the amount needed for debt service. The rate provides \$1,249.8 for operating expenses and 32.02 cents for debt service.

Under the levy ordinance, \$1,207,630 will be raised by taxes and bank stock and \$798,230 by miscellaneous income.

## New Pupils To Register On Friday

School Calendar For Year Is Set

The registration of new pupils from 9 a. m. until 12 noon on Friday, August 30, in all public schools of Allegany County, will mark the opening of the 1957-58 school calendar.

Ralph R. Webster, superintendent of public schools, said a conference of elementary principals will be held at the administration building at 9:30 a. m. on September 3 and that same afternoon at 1:30 high school principals will confer at the administration building.

On September 4 principals will meet at 9:30 a. m. with their faculties at the various schools throughout the county. All schools will open at 9 a. m., Thursday, September 5, and will dismiss classes at 12 noon. A single session with dismissal at noon will be held the following day.

The first full session of school will be on Monday, September 9, when classes begin at 9 a. m. and the afternoon classes will dismiss at 3:30 p. m.

All schools will be closed on October 10-11 due to the Maryland State Teachers' Association meeting. The Thanksgiving vacation begins at 1 p. m. November 27 and classes will resume on December 2 at 9 a. m.

On December 20 the Christmas vacation begins at 3:30 p. m. and all schools reopen at 9 a. m. on January 2, 1958. The first semester will come to a close on January 31 and the second semester will begin on February 3.

The Easter vacation begins at 3:30 p. m. on April 2 and classes resume on April 9 at 9 a. m. Grade 6 Orientation Day will be observed May 7. All schools will be closed on May 30 for Memorial Day.

Graduation dates will be June 3 and 4 and the end of the school term will be June 10 when the long-awaited summer vacation begins.

## Former Local Resident Plans N.Y. Art Show

A former local resident who furthered his work in art in Europe and South America is planning a "One Man Show," at the Crespi Gallery in New York City from September 30 to October 31.

He is James Francis Goldsborough, a native of Cumberland who was graduated from Allegany High School. In 1946 he began his formal art training under a former pupil of Ecole des Beaux Arts, Paris, an Accademia, Florence, Italy.

Mr. Goldsborough studied for four years. In 1949 he created a six feet 24 foot mural in Cumberland and received art awards of the Latham Foundation and National Wildlife Federation, international and national competitions, respectively.

From March 1954 to May 1956 he was an art instructor for the USAF in Giessen, Germany and Kassel, Germany. During 1955

and 1956 he was a private pupil of Fritz Winter in Kassel.

In June of that year through a recommendation of Winter which was given to Giuseppe Santomaso, at a meet of the International Delegation to the International Biennale, he went to Venice to continue his studies with the latter artist.

In the autumn of 1956 he worked on the Left Bank of Paris and had private studies with Victor Vasarely and painted in the interior of Venezuela, South America, on a German vessel.

Tropical jungles of the Orinoco were included in the journey. December of that year he returned to the United States and is now living in Baltimore, where he worked with William Waller, grand prize winner in the 1957 Maryland, Delaware and Washington, D. C. regional.

Mr. Goldsborough plans to return this fall as teacher of English at Brooklyn Park High School, Baltimore. His works are interpretive abstract.

## Red Cross Nurses Awarded Emblems

These local registered nurses have been recognized as Red Cross nurses by the American National Red Cross and through the Allegany County Chapter have been awarded official Red Cross nurse pins. Seated left to right are Mrs. Mary Bartlett, Mrs. Virginia Robinette; Miss Lucy Johns, assistant director of nursing from the regional office at Alexandria, Va.; Miss Martha Lee Heron and Mrs. Elizabeth Liller. Standing are Mrs. Louis Curl, Mrs. Mary Billmyer, Miss Mary Margaret

Smith, Mrs. Lucille Rice, Mrs. Elizabeth Brotemarkle, and Miss LeAnn Matthews. In addition to the nurses pictured, Mrs. George W. Legge, Red Cross executive secretary, said the following have also been presented the official emblems: Miss Dallas Nolan, Mrs. Dolores A. Firlie, Mrs. Enid Kennedy, Mrs. Joan Thom, Mrs. Helen Buchholtz, Mrs. Emma Zimmerman and Miss Roberta Jean Riggelman. The pins may be worn in a prescribed manner on uniforms or civilian attire.

## Coal Bids Being Sought By Board Of Education

Approximately 7,350 tons of coal will be consumed this year in the heating plants of public schools of Allegany County.

Joseph T. Downey, supervisor of maintenance in the schools, announced yesterday that the Board of Education will receive bids for the required coal supply until Wednesday, September 4 at 3 p. m.

The coal must equal analysis designated by the board which reserves the right to reject any or all bids. Mr. Downey pointed out that the bidders are required to give an analysis of the coal to be furnished, name of seam and mine.

The board also reserves the right to take samplings of coal from the school bins for analysis. The 7,350 figure includes the necessary supply for the 36 elementary and high schools as well as the Board of Education building on Washington Street.

Specific information and list of schools may be obtained from the Board of Education office, 108 Washington Street.

In accepting an authorization to supply coal, the contractor agrees to keep contact with the schools by personal visit or otherwise to see that there is constantly a supply of coal on hand.

All public schools throughout the county have a supply of coal at the present time with the exception of the recently completed Northeast School. The necessary supply per year ranges from 800 tons of coal at Allegany High School to 20 tons at Lincoln School in Frostburg.

Second largest consumer in the county is Fort Hill, where 750 tons are required. Beall High requires 680 tons of stoker coal.

## Navy Recruits Oriole Company

The local US Navy Recruiting office is participating in the enlistment of a "Baltimore Orioles 57 Company", to be sworn-in at a pre-game ceremony in the Baltimore Memorial Stadium on September 18.

Local recruiters explain that all men who enlist now and request assignment to the special Maryland company will remain together during all their basic training.

In addition, they will be guests at the big league game between the Baltimore Orioles and the Chicago White Sox the evening of September 18, and two complimentary tickets to the game and ceremony will be mailed to each recruit's parents. Local recruiters explain that men enlisting for the Maryland Oriole Company must be processed by September 11.

One man was reported enlisted here last week. He is William Jacob Moyer Jr., 17, 319 Springdale Street, son of Mr. and Mrs. W. J. Moyer Sr. He enrolled as a high school airman recruit in naval aviation and was sent to Bainbridge for nine weeks basic training.

## Quiz Program Will Highlight Poultry Meeting

A "stump the experts" program is one of the features of a new kind of poultry conference which will be held at the University of Maryland, September 11 and 12.

It may be difficult to stump the expert jury of 12 men, according to Wade H. Rice, extension poultry specialist. He says the jury includes experienced men in economics, engineering, genetics, management, marketing, nutrition and pathology.

Questions will be submitted by a panel of six poultry service men. The conference was planned as an aid for men working in the poultry service industry, such as feed, medical and equipment suppliers. It is the first conference of its kind sponsored by the university.

## Flood Project Funds Approved By President

\$2 Million Allocated In Public Works Bill

Two million dollars have been allocated for the Cumberland-Ridgely flood project under an \$858,094,323 public works appropriation bill signed yesterday by President Eisenhower.

The appropriation, for the fiscal year which started last July 1, compared with \$867,494,000 voted by Congress last year. The funds are for construction and maintenance of water projects throughout the nation.

Local engineers said last night that the money approved for the flood project here virtually assures funds to complete existing contracts.

The greater portion of the appropriation is expected to be spent on the Potomac River channel work which includes the removal of the Western Maryland Railway and Baltimore and Ohio Railroad interchange bridge; the replacement of certain connecting tracks; the encasement of piers on the main line bridge of the Western Maryland below the WM station and across the Potomac River into Ridgeley; the excavation of the river channel; better alignment of the river below the intersection of the river and Wills Creek; and the construction of the Baltimore Street bridge and the Western Maryland Railway bridge above Baltimore Street.

With the exception of smaller contracts which may be let later the present section two contracts are expected to be the final major construction efforts in the flood project.

Contractors have benefited by being able to ford the Potomac below the Western Maryland Railway bridge to Ridgeley with the big earth-moving, bottom-dump Euclid trucks.

The dry weather which has gripped the area the past two months has cut the flow of water in the channel to a trickle for the first time since the flood work began, engineers said.

## Area Resident Fatally Hurt In Jeep Crash

Carrol A. Wolford Dies In Hospital

A 25-year-old Harman, W. Va., farmer died Sunday in Tucker County Hospital, Parsons, of head injuries he sustained in a highway accident Saturday night near Davis.

The victim, Carrol Aron Wolford, suffered a fractured skull when he lost control of the jeep he was driving and overturned. The accident occurred about 9:45 p. m. on State Route 32 south of Davis.

Trooper Jack Dennis, of the West Virginia State Police, who investigated, said Wolford was thrown clear of the jeep when it wrecked and landed on his head. He was taken to the hospital but never regained consciousness.

The fatality was the first on the highways of Tucker County for 1957.

He was born November 18, 1932, at Harman, a son of Branson and Evelyn (White) Wolford. Mr. Wolford was a member of the Church of the Brethren at Harman and a member of the Davis lodge of the FO Eagles.

Surviving, in addition to his parents, are his widow, Sarah M. (Warner) Wolford; two daughters, Peggy Ann and Debra K. Wolford, both at home; six brothers, Jerry, Madison, W. Va.; Gorman and Eddie, both of Plainville, Ohio; John, Fort Knox, Ky., and William and James Wolford, both at home, and three sisters, Mrs. Ethel Long, Harman; Mrs. Mabel Bowers, West-ernport; and Mrs. Imogene Pennington, Brandywine, W. Va.

The body is at the Spiggle Funeral Home, Davis, and will be taken to the residence this evening at 6 o'clock.

Services will be conducted tomorrow at 2 p. m. (EST) at the Harman Church of the Brethren by Rev. Ellsworth Harman, pastor. Burial will be in the Wolford family cemetery.

## Patient Sues Area Driver For \$5,000

A patient in the Springfield State Hospital, through her attorney, Edward J. Ryan, is suing a Midland woman for \$5,000 as a result of an auto accident which caused the death of her husband.

The State of Maryland for use and benefit of Fred Wilson, committee of person and estate of Mrs. Charlotte T. Tomlinson, plaintiff, is suing Mrs. Lolita D. Llewellyn.

According to the declaration, Cecil A. Tomlinson, 78, of RD 1, Frostburg, husband of the patient, was struck by an auto driven by Mrs. Llewellyn on State Route 36 on January 12, 1957.

Several hours after being struck by the car at Wrights Crossing, the victim died in Miners Hospital. He had suffered a fracture of his left hip and compound fracture of his right leg.

The victim, according to the declaration, depended on her husband for maintenance and support, and has filed the suit in Allegany County Circuit Court.

## Beall Requests Farmers' Aid

Senator J. Glenn Beall has urged Secretary of Agriculture Ezra Taft Benson to "make available all possible aid" to Maryland's drought-stricken farmers.

The Senator from Frostburg pointed out that although recent requests to have Maryland designated a major disaster area were not approved at the White House, the Agriculture Department itself has authority to inaugurate a program of assistance.

Such aid, which would include the extending of emergency credit loans where credit is not available through established sources, is urgently needed, Senator Beall said in a telegram to Mr. Benson, because "recent reports indicate that various Maryland counties are suffering crop losses of up to 75 per cent as a result of the worst drought in decades."

## Montgomery Ward Appeals Decision

Montgomery Ward and Company Inc. and its insurer have filed a notice of appeal in Allegany County Circuit Court from a decision of the State Industrial Accident Commission.

A claim was filed with the commission by William Hunter, an employee of the Montgomery Ward. The employer appeals from the award and order of the commission entered in the case on July 15, 1957, and requests that the record in said case be transmitted to the Circuit Court of Allegany County.

## Frostburg College Graduates Obtain Baltimore County Teaching Positions

Two local young women, who were members of the 1957 graduating class at Frostburg Teachers College, have decided to teach in Baltimore County.

Miss Mary Eileen Powers, daughter of Mr. and Mrs. John G. Powers, 123 Hanover Street, has accepted a teaching position at Golden Ring Junior High School.

She will teach eighth grade mathematics and science. She was graduated from Catholic Girls Central High School here in 1953.

Miss Louise F. Ewald, daughter of Rev. and Mrs. Louis H. Ewald, LaVale, has accepted a teaching position at Dumbarton Junior High School at Rogers Forge, a suburb of Baltimore.

She will teach seventh grade core at the school. Miss Ewald was graduated from Fort Hill High School in 1953.
